## Bold Performance.

Neoflex™ 800 Series REPTiles are dual-durometer rubber tiles, 1m x 1m in size, available from 8 - 30 mm thick. Available in any Neoflex 800 Series color, Neoflex™ 800 Series REPTiles are a terrific choice for cardio areas, freestyle areas or suspension training activities.

The surface finish is made of synthetic EPDM rubber with an “orange-peel” like finish for good grip and excellent durability. Logos, agility and functional zone markings can be in-laid in to the surface for maximum effectiveness and usability.
