

 **ASKO**

# **THE FRIDGE** DESIGNED FOR THE OUTDOORS

Insulated to cope with 49°C temperatures in summer and water resistant for winter, the ASKO Outdoor Fridge is purpose built for Australian conditions.

# THE GREAT ENTERTAINER

The ASKO Outdoor Fridge is designed with the Australian lifestyle in mind. Combining superb styling with robust design, it's the perfect choice for the outdoor entertainer.

Insulated to withstand ambient temperatures of up to 49°C, this fridge is guaranteed to keep beverages cold - even under extreme weather conditions.

## IPX4 water resistance rating

It also has an IPX4 water resistance rating, which means that its approved to withstand rain and outdoor elements.

## Child proof

A lockable door allows you to keep children away from alcoholic beverages and child-proof controls prevent the kids from altering the temperature without your knowledge. With a host of smart features, this is the outdoor fridge you've been waiting for.
