

For the complete package

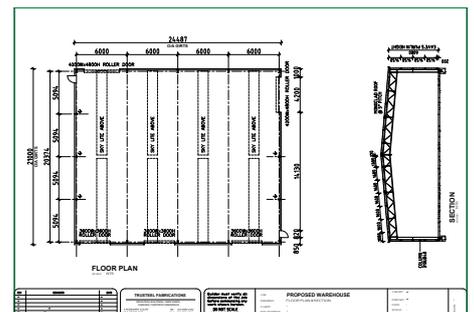

- Office & Warehouse
- Mezzanine Floors
- High Clearance
- Clear span constructions

Trusteel Warehouses are the complete package for Office and Warehouse development.

Our warehouse projects offer high clearance warehousing for optimum space usage. With the option of mezzanine floors for added functionality, we can provide a total solution by combining clever use of colorbond roofs, door canopies, concrete and glass to enhance the natural light. Crane beams are also available.

We can do it all!

- ✓ Council Permits
- ✓ Concrete Slabs
- ✓ Foundations
- ✓ Engineering
- ✓ Project planning
