

7 Reasons why Verde is the logical choice hand dryer for a commercial washroom!

- 1. Safety** - Tested and Certified in Australia, surpassing all electrical Safety standards. **100% Satisfaction Guarantee!**
- 2. No Slip-Hazard** - All water spray from hands is collected within the unit (Mini & Maxi only), minimising ugly messy puddles which can constitute a **Slip Hazard**, as often created by conventional type hand dryers or dispersers.
- 3. FAST** - Hygienically dry hands in *7~12 seconds (*Mighty model).
- 4. Quietest dryers in their Class** - as tested/certified in Australia.
- 5. Money Saver** – Minimises ongoing expenditure (running costs) when compared to paper towels, with no mess
- 6. Temperature Control** - turns heat off automatically when temp reaches 25° C, saving even more costs (electricity)
- 7. Warranty** - 2 year full warranty. **3 years** on motor and circuit board (Maxi only)

***Optional Extras ~ Additional Colours Available/ Customised Logo's**
