INSPIRED. INSPIRING.

Sometimes a simple line can build a strong connection, other times it may require a multitude of lines. Either way, the foundation of connection relies on a linear aspect. Unified movement of lines can create subtle, colourful, versatile and textural designs. All beautiful and functional in their own way.

In the Ultra 2 Network and Junction designs, we see this unification of linear patterns and colour providing opportunity to create stunning spaces.

Ultra 2 Network in Wynyard and Ultra 2 Junction in Wynyard, monolithic installation

Ultra 2 Network in Sherwood, quarter turn installation

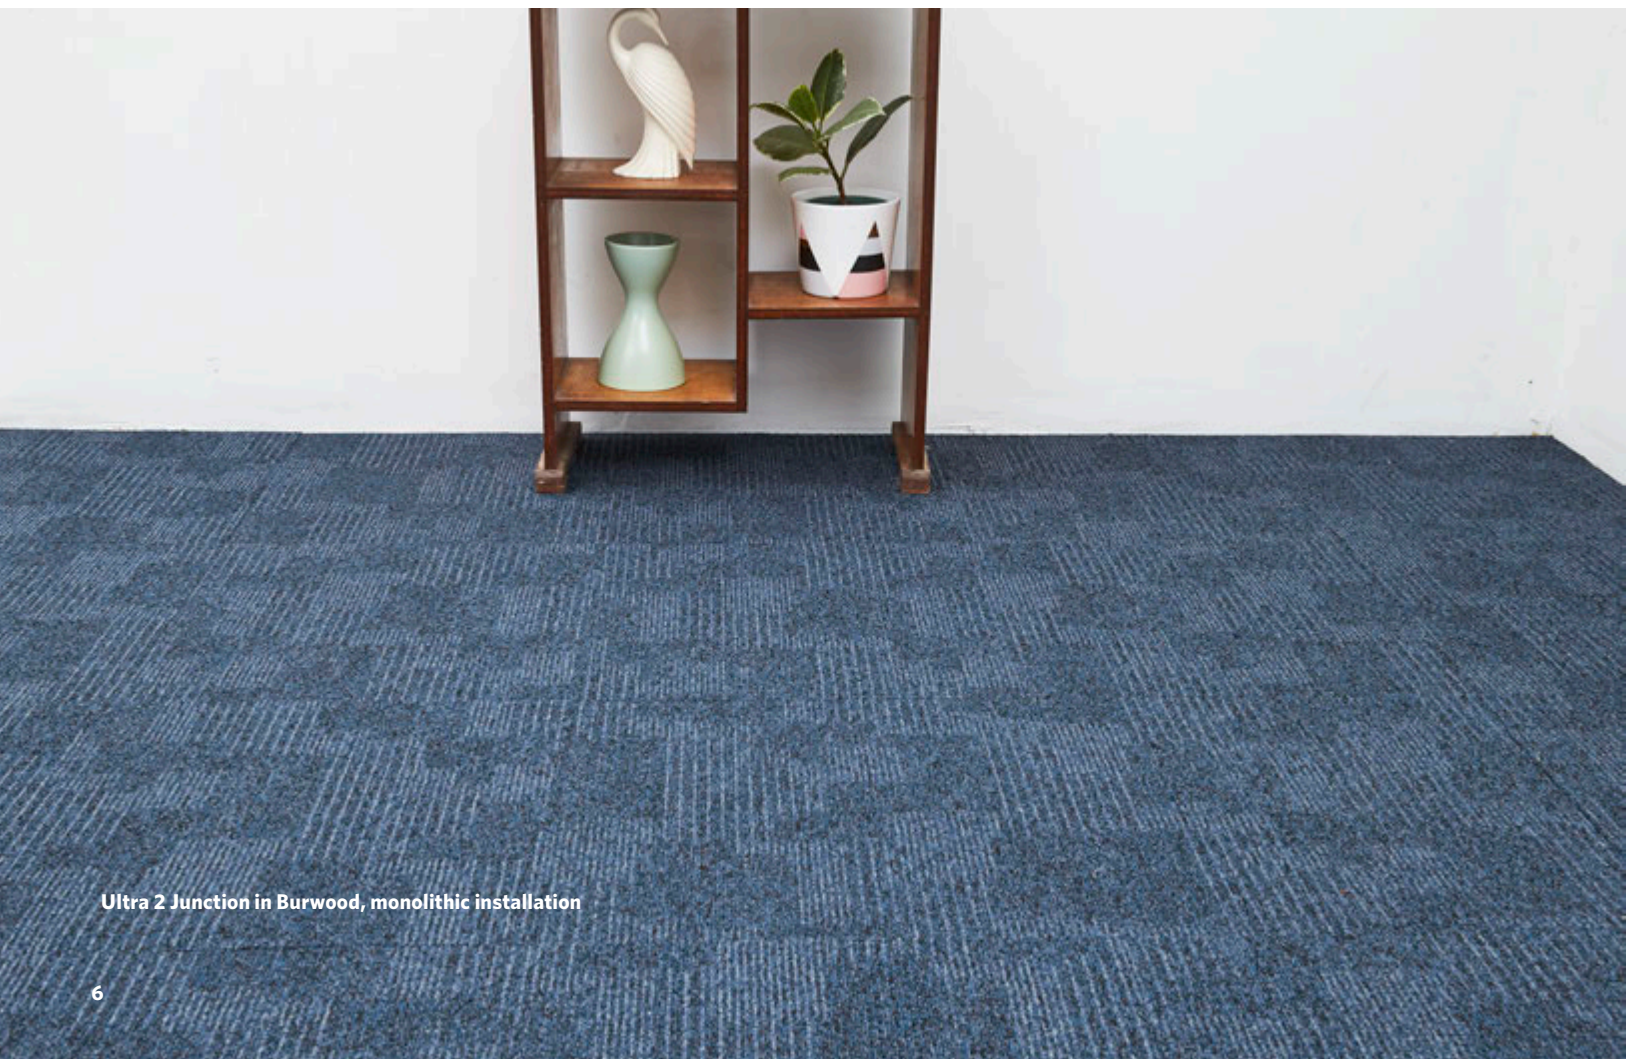

Ultra 2 Network in Roma, monolithic installation

Ultra 2 Network in Sherwood and Ultra 2 Network in Roma, monolithic installation

Ultra 2 Network in Ascot, monolithic installation

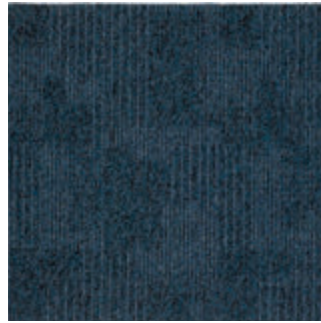

Ultra 2 Junction in Burwood, monolithic installation
