## HOW TO ASSEMBLE:

### STEP 1: Assemble the Trolley

1. Remove the first Stage Podium. Turn upside down and remove Stage Legs. Then insert the Storage Trolley Wheels into the Leg Corner Brackets.
2. Insert all 4 Wheels and tighten.
3. As each Stage Podium is removed, turn it upside down on the Trolley Base, remove the Stage Legs and lie them in the Podium recess.
4. When all Stage Podiums and Accessories are packed on the Storage Trolley, slide the 2 T-Bolts onto the short side of the bottom Podium. Add the Storage Trolley Handle to the T-Bolts then secure with the Hand Wheels hand tightened.
5. When all the load is on the Trolley, secure the items with the supplied Ratchet Strapping wrapped around the load and Trolley base. Tighten as required.

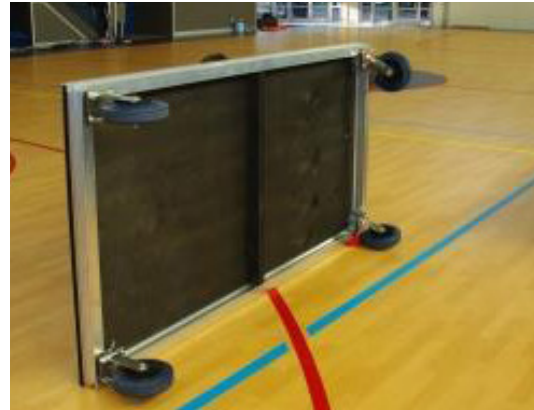

## STEP 1: Assemble the Trolley

Replace Stage Legs with Trolley Wheels.

Insert all 4 Wheels and hand tighten.

Stack Podiums and Legs onto Trolley Base, remove the Legs and lay in the Podium recess.

When all Podiums and Accessories are packed onto the Trolley, add the Trolley Handle then secure the load with the Strapping.
