STAGE & RISER SOLUTIONS

When you're looking for dependable performance, it has to be SICO®. We're proud to carry a complete line of innovative portable staging solutions and accessories that bring solid support and impeccable style to any event. Set-up is simple. Take-down is easy. And our variety of mobile solutions make transport and storage stress-free.

Theater & Risers

With SICO® innovations, you can transform your spaces into performance settings in mere minutes. Our stylish and ultra-stable risers and theater offerings deliver the perfect support and backdrop for memorable events, all with the easy set-up and take-down you'd expect from any SICO® solution.

Performance Stages

Performers have enjoyed SICO® mobile and portable stages for generations, but your staff will believe our stages are the true stars of the show.

When your event requires an elevated platform for small regional or large national events, SICO's performance stages are a must. Designed to be easy to operate with minimal storage, SICO's performance stages provide an exceptional value for any venue.

Meeting & Banquet Stages

In event spaces, every day brings a new event and a different presentation need – from small-group sessions to posh galas, some planned for and some not. Stay prepared for whatever the day throws your way with our reliable Meeting & Banquet Stages, with the portability, mobility and easy set-up that'll keep you ready for any event.

MEETING & BANQUET STAGES

1800 Series

The dual-height and single height 1800 Series offers all the advantages of a mobile folding stage, plus the added simplicity and speed of built-in height adjustability. Single-person operation means rooms can be turned quickly, with minimal labor. This saves both money and time for your operation.

Tri-Height

Our Tri-Height mobile stage is available with two or three variable height adjustments and reversible decks, making for a versatile system. Designed for maximum set-up flexibility, the Tri-Height can be used as a head table riser, speaker platform, or runway. The possibilities are endless. Single-person operation optimizes labor efficiency.

Caster Transport

With SICO's mobile stage and riser systems, storage is a snap. Our units can be rolled away in minutes, freeing up your staff to focus on other important tasks.

MEETING & BANQUET STAGES

Storage Caddies

With SICO® stages and risers, storage is no sweat. Our solutions fold and fit easily into our storage caddies and can be rolled away in minutes, freeing up your staff to focus on other important tasks.

X-Press

The SICO® X-Press Stage and Riser is designed with a sturdy build, in a lightweight frame, so it can be easily transported from one application to another. It sets up in a snap, by simply unfolding the frame and laying the deck into place. Choose from multiple deck surfaces, including our innovative Tuff Deck or carpet.

Variable Terrain

A smart, dual-use product that maximizes space and productivity, our Variable Terrain solution can be set up as a performance stage or tiered risers for seated riser, choral or instrumental performances – indoors or out. You'll get multiple height options and stage units that can be locked together at the same height or in tiered set-ups, for strength and stability across every configuration.

TechLite™*

TechLite™ makes it easy to tailor a stage and riser system to fit small or large spaces – and without the need for tools. With adjustable and fixed heights, optional anti-slip Riga Heksa Plus Decking or carpet, our Power Lock™ leg-fastening system and more, TechLite™ is a versatile performer you can count on.

**Patent Pending*

PERFORMANCE STAGES

Venue Maker Pro™*

This is staging innovation from top to bottom. The Venue Maker Pro™* (VMP) includes features no one else offers: top-deck leveling, v-shape frame design for easy under stage access and the smallest storage footprint of any stage in its class. SICO® does it again!

**Patent Pending*

Efficient Storage

SICO® innovation extends beyond the stage, to include storage solutions too. All of our performance stages are designed for secure, compact, low-stress storage, because a great stage shouldn't have to take up a great amount of space.

CROWD CONTROL BARRIERS

Crowd Control Barriers

Simple to set-up and tear-down, our sturdy crowd control barriers are made out of welded steel tubing for maximum strength. Help protect performers and keep order when and where you need it with these portable, folding, free-standing crowd control barrier units.

Efficient Storage

SICO® innovation extends beyond the stage to include storage too. Crowd barriers are easy to set-up and fold down into a self-contained unit. Place folded units on the caddy and store or transport where needed. It's that simple.

STAGE ACCESSORIES

ADA Ramps

Our ADA-compliant ramps are made up of modular units that set up quickly and easily, and are adaptable to each of our various stages. All ramps are carpeted, include side guardrails and designed with a gradual incline of 1" per foot (2.54 cm/m) – for smooth, confident stage entrances and exits.

Articulating Steps

Articulating steps can be raised and lowered to enable use with a wide variety of stage heights. Steps attach to the top of a stage deck, which provides support for the steps. Available in carpet or black vinyl on the tread.

Modular Steps

Modular steps are fixed steps that are easy to operate and have a smaller storage footprint than articulating steps. Add extra step platforms to create the necessary height. Each platform rolls and fastens into place with ease so performers can enter and exit the stage gracefully.

Drapes

SICO® Drapes add a first-class finishing touch to your staging, secured by continuous hook and loop fastener strips that make it extra-easy to attach the skirting. Our draperies are made of attractive, flame-retardant fabric that retains its beauty over years of use.

STAGE ACCESSORIES

Enclosure Panels

Use enclosure panels to create a finished look to a stage while adding safety for your performers.

Guardrails & Covers

Safety is always your first priority and SICO® is here to help. Guardrails must be used with all of our stages and risers and we have options to fit all of our systems. We even include rail covers in multiple color selections to fit your staging décor.

Chair & Table Stops

These rugged stops help optimize safety by ensuring tables and chairs won't slide off the stage. Made from steel bars and available in multiple lengths, they attach quickly and rest one-half inch above the surface of the stage deck.

Backdrops

Our solid backdrops create a professional look and help focus the audience's attention on the performers, not on what's happening backstage.

Accessory Caddies

Our creatively designed caddies provide crucial convenience for time-strapped staff. They enable compact storage and fast transport of accessory units to any location, for a smooth set-up before showtime.

THEATER & RISERS

Harmony Choral Riser

With our innovative Harmony Choral riser, you just roll each self-contained 3- or 4-step unit into place, lower the steps with one fluid motion to the floor, lock it to the next unit, and it's showtime! Each unit rests on 10-12 solid points of contact, so the risers remain stable and quiet. Preferred by performers and set-up crews, the Harmony Choral Riser will keep your whole operation humming.

Insta-Theatre®

Go from room to theatre in minutes! Our Insta-Theatre® folding stage system is a full-sized, professional-style theatre that fits against any wall – so you can put on more events without having to commit space or funds to a permanent structure. It unfolds to create an open, stable stage of up to 32'W x 16'D (9.75m x 4.9m), yet consumes just 4.5' (1.4m) of depth when packaged. Insta-Theatre® is today's smartest combination of sheer style and simplicity.

Easily Fold & Roll

You'll be amazed at how easily our expansive risers can fold down into such a relatively small footprint and get tucked away into storage until the next use. It means less lifting, bending and carrying for your staff too.

DANCE FLOOR SOLUTIONS

SICO® invented the first professional portable dance floor in 1964 and continues to stay a step ahead of the competition. In fact, more dance moves and more dance memories have been created on SICO® floors than any other brand! When you want to give your guests the best, it has to be SICO®.

Wood Parquet

For guests who still require the beauty of real wood, our Original and Cam-Lock portable dance floor products are the right choice. They set the industry standard decades ago and still continue to be a popular option today. From their traditional, eye-catching parquet panels to their gold, silver or black Visi-Trim edges and simple set-up, these products are thoughtfully designed for your guests and your staff.

Laminate

Available in a wide variety of stylish laminates, our Cam-Lam* or Starlight II*-solutions for indoor-outdoor use, offer versatility so you can create a first-class dance environment for your guests virtually anywhere. They're maintenance-free and resist chipping, scratching and fading – protecting your flooring investment. Plus, they feature our positive Cam-Lock system for easy alignment and simple set-up and take-down.

**Patented*

LAMINATE DANCE FLOORS

Cam-Lam*

The SICO® Cam-Lam dance floor is available in a variety of laminate designs – from a wood-plank to a modern or rustic look, each with a maintenance-free finish that resists scratching and fading. And it features our positive Cam-Lock system for automatic panel alignment and a fast, secure fit – making set-up simple!

**Patented*

Starlight II*

With the rugged Starlight II, the sky's the limit. This safe, secure portable dance floor is built to withstand the rigors of outdoor use. It combines a high-pressure laminate surface with a high-density fiberglass reinforced foam inner core, positioned between sheets of sturdy aluminum. And our Cam-Lock positive locking system streamlines set-up and tear-down.

**Patented*

Storage Caddies

Save on take-down time and avoid hassles with our smooth-rolling storage caddies. Cleverly designed with separate spaces to hold dozens of panels as well as trim pieces, SICO's storage caddies make it easy to secure, store and safeguard your floor until the next big event.

PARQUET DANCE FLOORS

Original

SICO's Original portable dance floor is the perfect solution for a facility that requires a durable yet economical portable dance floor. Lightweight and easy to assemble, it provides a solid, stylish foundation for any event.

Cam-Lock

Available in classic Heritage Oak and Natural Oak styles, our Cam-Lock dance floor is ideal for facilities that want the beauty of real wood and the convenience of a quick set-up. With its durable surface and Cam-Lock system that makes it easy to align panels and trim, it's also the perfect choice for frequent usage.

Storage Caddies

The heavy-duty caddies for our dance floor panels ensure stress-free storage. With their spacious frames and separate compartments to hold deck and trim pieces, you'll roll away the floor with ease and confidence.

BUFFET STATION SOLUTIONS

Give your culinary creations the presentation they deserve by using SICO® mobile buffet stations to entice, inspire and serve your guests in total style.
