# Evergreen Premium

## THE HIGHEST QUALITY PANEL ON THE MARKET

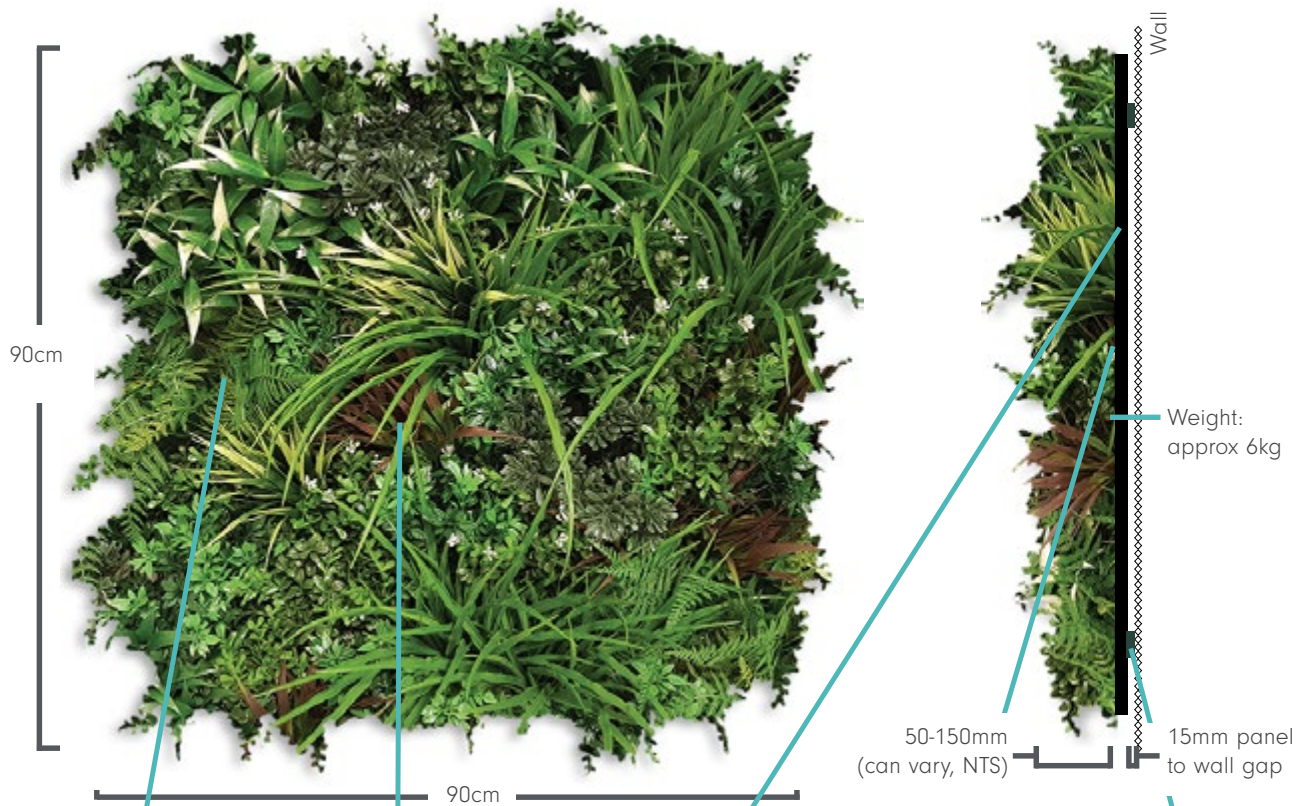

An architecturally designed system with commercial grade materials makes the Evergreen Panel the ultimate in artificial green walls. The fire-rated foliage is installed to look like it's growing across the wall and is alive with elegant vibrancy. Relatively lightweight and easy to specify into any project - it's a dream for building designers and clients alike.

## OUR STYLES

# Evergreen Premium

## BENEFITS & SPECIFICATIONS

12 different types of UV & fire treated plants

Each style comes with a separate set of curated plants for personal positioning

3mm galvanized steel frame powder coated black

Plants securely cable tied to metal grid

Custom made stand off fixings supplied with each panel

### FIRE-RESISTANT

Australia's only group 2 fire rated panel.

### UV STABLE

Our panels are made with a UV stabilised polyethelene. There is no need to replace or add UV lighting like you do on real walls, our artificial garden walls will last forever.

### MAINTENANCE FREE

Once installed, there is no need for additional power for lights, irrigation systems or call out fees to maintenance. The only upkeep you need to do is clean your plants with a damp cloth, or let the rain clean it for you. Simple.

### WARRANTY

For peace of mind, we offer a 4-year warranty on selected products. This covers UV damage, fading or cracking.
