- GLTAA certified posts, ensuring quality and consistency of product
- Durability Class 1 above Ground product
- Well constructed laminated design, ensuring quality and stability
- Manufactured to AS/NZS 1328.1:1998
- Dressed Pencil Round all 4 Edges
- Fire Rated in accordance with AS1720.4 to BAL 29

SPOTTED GUM

QLD Spotted Gum has been tried and proven for over 100 years in Australian conditions, and due to its unique grain and stunning appearance, this durable species is ideal for GL18 Post applications.

Grade: Select

Hardness: 11*

Sizes (mm): 90 x 90, 115 x 115, 140 x 140

**Hardness refers to the Janka rating which is the hardness level given to each species. The higher the number, the greater the hardness.*

...the right choice

GLTAA CERTIFICATION

Simmonds in conjunction with Parkside Timber is committed to quality and performance in everything they do. Therefore Parkside has invested in third party accreditation for their GL18 Spotted Gum Laminated posts through internationally recognised organisation, the Glue Laminated Timber Association of Australia (GLTAA).

This certification confirms Parkside Timber GL18 posts adhere to and perform at a minimum of the Australian Standard in AS1328, giving customer's peace of mind Parkside GL18 Posts will perform in their specified applications.

CHAIN OF CUSTODY - PEFC CERTIFICATION

PARKSIDE are so proud of their quality and integrity in sawmilling, they have invested in third party accreditation for Chain of Custody certification for timber.

Simmonds is proud to be associated with a company like PARKSIDE who is certified by the internationally recognised organisation, the Programme for the Endorsement of Forest Certification (PEFC) meaning Parkside's products are sourced from sustainably managed forests, so you know that the forests and PARKSIDE TIMBER will be here for generations to come.

PLEASE NOTE

Colour variations within timber species in normal photography are only indicative of the colour range. Parkside Timber retains the right to vary specifications without notice due to our policy of continued development in our product range.
