HP DesignJet professional photo-quality and high-impact graphics printers

For quick printers, digital print service providers, professional photographers, and graphic designers who want to create high-impact, photo-quality prints consistently and accurately; optional scanning and copying is available for editing, sharing, or archiving.

	High-impact graphics	Professional photo quality		Scanners
	6 inks	8 inks	9 inks	
	6 Original HP Vivid Photo Inks HP high-impact graphics printers have a 6-ink configuration using pigment-based HP Vivid Photo Inks. This configuration is optimized to produce high-impact, eye-catching graphics that are not only water- and scratch-resistant, but also fade-resistant up to 200 years.	8 Original HP Vivid Photo Inks Provides improved color gamut for professional photo-quality prints that require light colors to reproduce soft skin tones, smooth transitions, and neutral grays for stunning color and black-and-white prints.	9 Original HP Vivid Photo Inks Deliver high quality from amazing photos to high-definition prints using Original HP Vivid Photo Inks including RGB and chromatic colors. Water- and fade-resistant prints last over 200 years in dark storage.
