

Chess bike stands combine a strong and durable structure with a modern, clean design that will complement a wide variety of environments and settings.

Featuring a simple yet contemporary stainless steel frame, Chess bike stands are vandal resistant, which means you will save on the cost of repairs or replacement stands.

- Designed by engineers with a strong fit-for-purpose approach
- Extra wall thickness and structural strength to thwart vandals
- Attractive 100% stainless steel structure
- ISO9001 certification to assure quality
- Complies with AS2890.3
