

SPEC SHEET

Evergreen Moss

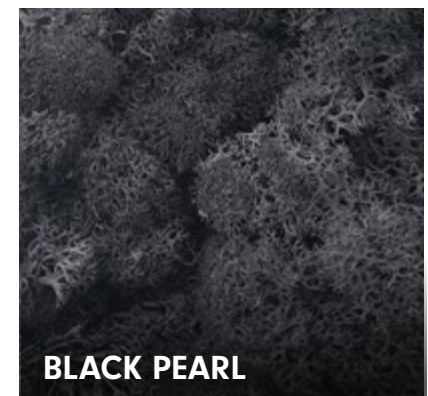

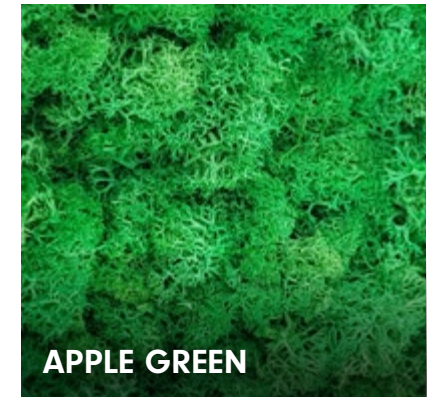

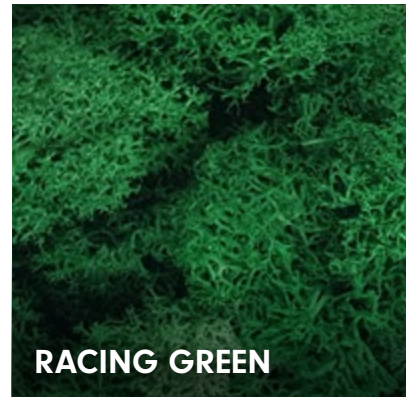

Evergreen Moss

ACCOUSTICALLY BRILLIANT

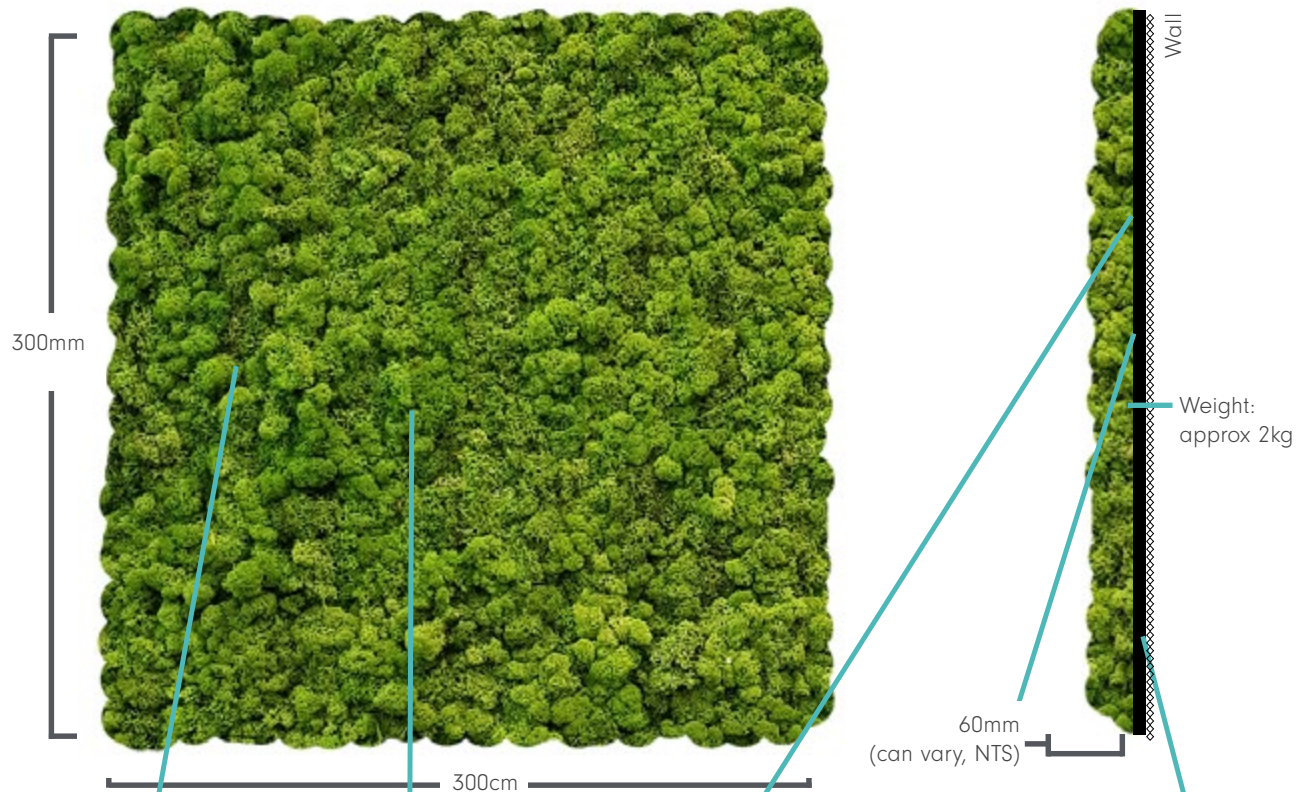

This beautiful, natural product is a premium wall covering option for those that want to inject a level of luxury into their project. This slow-growing 'moss' is farmed from Scandinavian forests before a unique preservation process secures its longevity as a decorative product. Soft to touch and easy on the eye, The Evergreen Moss is an enchanting, modular way to create a fabulous feature for any interior space.

OUR STYLES

Evergreen Moss

wall surface

FIRE-RESISTANT

Evergreen Moss panels are flame and fire-resistant (for internal use only).

HYPOALLERGENIC

Evergreen panels do not contain toxic chemicals or components.

ECO FRIENDLY

Once installed, there is no need for additional power for lights, irrigation systems or call out fees to maintenance.

AIR PURIFYING

Air particles are removed by a constant cycle of absorption and release of ambient moisture.

SOUND ABSORBER

Absorbing up to twice as much as the industry average for products of the same size and thickness.

WARRANTY

For peace of mind, we offer a 4-year warranty on selected products. This covers UV damage, fading or cracking.
