SEASCAPE - HONED

SIZE GUIDE

DIMENSIONS IN MM

WIDTH	600	400
LENGTH	600	400
DEPTH	20	15

DESCRIPTION

Fibonacci Stone's unique Seascape Terrazzo Tiles feature a subtle blue composition contrasted with muted white and light grey marble aggregate chips. Versatile in aesthetic, Seascape is seamless in colour and composition and imbues an elegantly contemporary aesthetic that will energise interior spaces with bright, uplifting vigour.

Seascape Terrazzo Tiles are ideal for both residential and commercial flooring applications as they possess a high slip resistance, require minimal ongoing maintenance and have a lifespan of over 30 years.
