# Perfect lines as far as the eye can see

Our Shiplap boards are profiled to produce an overlap, which allows for a continuous cladding look and uninterrupted, clean lines. They can be used in both vertical and horizontal applications.

## FEATURES + BENEFITS

- Compatible with a variety of foundation conditions.
- Can be fixed directly onto battens, or over already existing wallboard.
- Fixes to both timber and steel framework or substructures.
- Available in both Dressed Face and Bandsawn Face.
- Available in three standard widths and one standard thickness.
- Continuous channel effects.
- Improved Green Star rating with FSC<sup>®</sup>, PEFC<sup>™</sup> and GreenTag<sup>Cert™</sup> GreenRate Level A Certification.

## IDEAL USES

- Commercial projects
- Wrap around style
- Public spaces
- Alfresco / soffits

Photographs, images and drawings used herein are for illustration purposes only. Colours, grades and finishes on actual products may vary. All timber products will vary from samples. Being a natural product, expect sheen, tonal and colour variation and natural features including knots, grains and grain impressions. We recommend viewing all products prior to installation. Cedar Sales' is unable to offer any specific performance warranties for its products because of the wide variation in applications possible. These variables include but are not limited to; situation, design and structure, aspect and differing exposure to the weather. For more details, visit [cedarsales.com.au/terms-and-condition-of-trade](http://cedarsales.com.au/terms-and-condition-of-trade).
