

Scarborough Series[®] Window shroud feature screen

The Louvreclad Scarborough Series[®] is a modular 20mm suite available in ellipsoid, bullet, and panel configurations. A versatile, cost-effective alternative to traditional feature fins and screens. It's slim profile provides substantial sun screening and distinctive architectural character.

Distinctive Features + Diverse Applications + Multitude of Benefits:

- Delivered to site ready-made for single-trade installation
- Concealed mounting in certain applications
- A selection of widths, configurations and mounting options

Attention to Detail:

- 20mm depth
- Maximum span: up to 3.0m depending on size of batten, location of building and local wind pressures.
- Designed, engineered and certified for incidental live load.

SLIM SUN SHADING OPTION

Thinking outside for inside performance
