

BULLETIN BOARDS

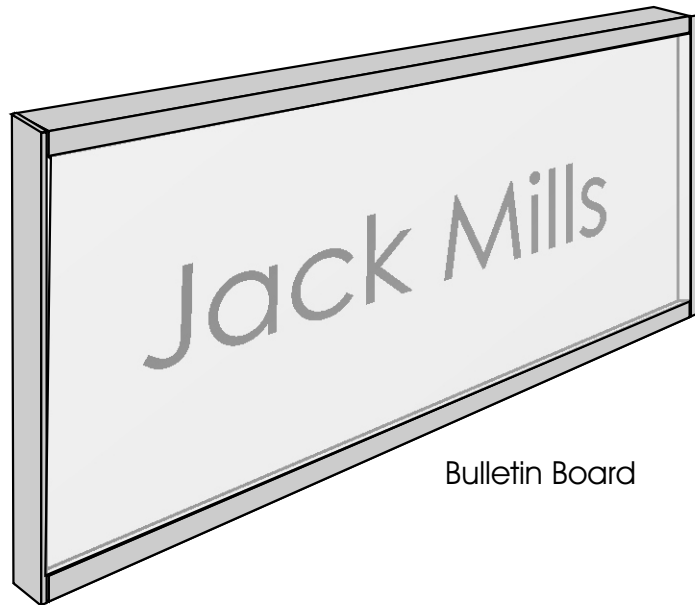

PAPER INSERT SIGNS

The Bulletin Board consists of an aluminium backing panel, a clear non-glare acrylic face and flexible End Caps.

The sign accepts paper or acetate inserts that slide in behind the acrylic face.

Specially designed flexible End Caps secure the contents.

The Bulletin Board is available in various sizes, with or without an AM Series header.

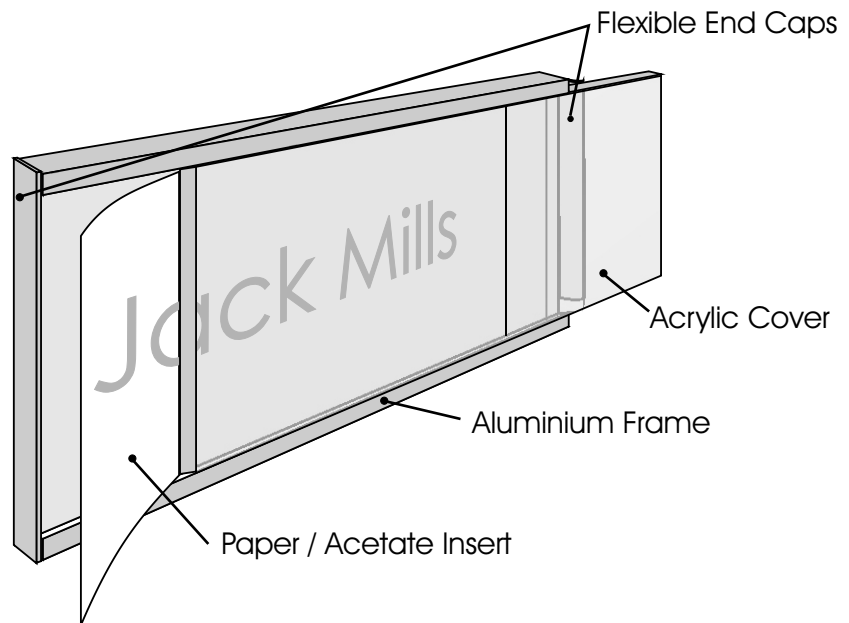

Bulletin Board

SIZES

Smallest Size:
105mm W X 63mm H.
A range of sizes are available, the largest size being A4 Portrait or Landscape.

Please refer to the size chart PDF for full range of standard sizes.

For sizes larger than A4, please refer to the Poster Holder Series.

PLEASE NOTE:

Bulletin Boards are suitable for interior use only. They are not water proof.
