

POSTER HOLDERS

HOW IT WORKS

The "Poster Holder" consists of an aluminium backing panel, a PVC U-channel frame at the top and the bottom, and a removable clear non glare acrylic face.

Contents can be easily changed via top access.

This sign system is suitable for sizes A4 and up.

A0 is the largest size.
We also offer any custom size between A4 and A0.

CHANGING POSTERS

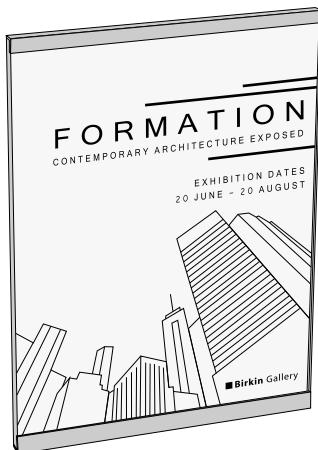

To change Poster, simply lift the acrylic cover off and remove the existing insert. Place the new insert in behind the poster clips, then replace the acrylic cover.

LOCKABLE OPTION

An optional locking mechanism is available for a more tamper proof solution. This must be specified, as it is a non standard option.

PLEASE NOTE:

Poster Holders are suitable for internal use only.
