

SPEC SHEET

Evergreen Urban

Evergreen Urban

SUBURBAN ESCAPE

The Evergreen Urban range is a real inner-city crowd pleaser! This eye-catching arrangement of foliage will transform your tired wall space into a vibrant, urban green wall instantly. The large leaves, thriving ferns and purple tones create an artificial green wall that veers on the wild side whether you install it inside or out.

OUR STYLES

Evergreen Urban

BENEFITS & SPECIFICATIONS

UV & fire stabilised for indoor and outdoor usage

Each style comes with a separate set of curated plants for personal positioning

Snap & lock backing panel grid system

Plastic backing panel easily curves and covers uneven surfaces

Panels can be cut easily with garden snippers to fit in any area

EASILY CUT

Cut your panels to any shape or size with garden snippers or a sharp blade. We advise you measure your area a few times before cutting to ensure a seamless finish.

SNAP & LOCK SYSTEM

Each panel interconnects with a snap & lock system so you can create a wall to any size. The system is so simple anyone can do it without much effort.

MAINTENANCE FREE

Once installed, there is no need for additional power for lights, irrigation systems or call out fees to maintenance. The only upkeep you need to do is clean your plants with a damp cloth, or let the rain clean it for you. Simple.

RECYCLABLE

Made from low density UV stabilised polyethylene (LDPE), a common type of material found in many objects you use everyday.

UV STABLE

Our panels are made with a UV stabilised polyethylene. There is no need to replace or add UV lighting like you do on real walls, our artificial garden walls will last forever.

WARRANTY

For peace of mind, we offer a 4-year warranty on selected products. This covers UV damage, fading or cracking.
