

Doric - Door Furniture & Cylinder Guide (French & Bi-Fold Doors)

The following is a guide, which is intended to assist the fabricator with selecting the size of the cylinder to use in conjunction with different lock stiles.

When using the Doric DS1500 SS door furniture along with any one of the Doric mortice locks – DS1295/DS1269/DS1273/DDS1289 the cylinders to use are;
DS196 – 60mm Double Cylinder | DS1266 – 60mm Cylinder & Turn
DS200 – 70mm Double Cylinder | DS202 – 70mm Cylinder & Turn

The below diagrams outlines the different Doric cylinders to use as the door stile thickness size increases.
