FURNITURE ENGINEERED TO ENDURE KIDS

## MENTAL HEALTH SEATING

We offer mental health chairs that prioritize enrichment, safety, and comfort. These chairs are crafted with a layered comfort system to ensure long-lasting comfort. They are designed with a sophisticated yet clever structure that combines five key elements — safety, comfort, style, extreme durability, and local manufacturing. These psychiatric chairs feature Dunlop 10-year warranty Enduro foam, guaranteeing their quality.

This range of hospital chairs includes foam dining chairs, foam lounge chairs, and more. In addition, we offer a variety of weighted chairs specifically designed for mental hospitals, such as lounge chairs and occasional chairs. These heavy chairs are constructed with indestructible frames, providing an extra level of safety. Chair styles are also available in 2 and 3-seater couches.

## HONDO NUEVO SEATING

This seating combines modern design, ergonomically correct style and comfortable lumbar support with a beautiful, thick vinyl skin and 1kg density polyurethane foam filling. This unique combination of superior durability, comfort and style is available in several seat, bench and wedge options to create flexible modular seating arrangements. Smooth, exterior surface is highly puncture resistant, yet easy to clean and sanitise. Fabricated drip edge allows moisture to run off the chair and not into the base. Engineered to endure and proven suitable for daily use in challenging environments. Polyvinyl skin is chemically resistant to blood, vinegar, urine, faeces, salt solution and chlorine solution.
