## SPECIFICATIONS

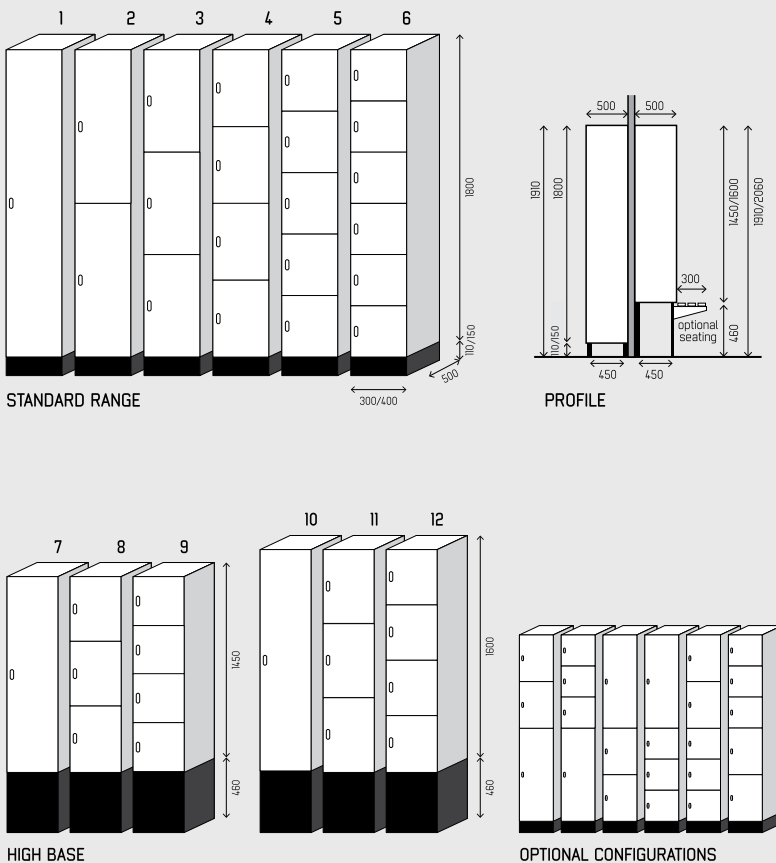

- \ Australian Made.
- \ Extensive choice of door colour finishes from the Laminex range.
- \ Hanging rail fitted with anti-theft coat hanger - units vented through back.
- \ Premium master keyed lock system standard and numbered ready for use.
- \ 110mm or 150mm plinth for 1800mm units, 460mm high base for 1450mm and 1600mm units.
- \ Locker carcass is white MR board with black edging or white.
- \ Units can be made mix and match - for example 2 doors top half and 1 bottom half.
- \ Separate base - black or silver finish.
- \ Most square door locker ranges are limited in their locker configurations, often having only 1, 2 and 4 door units to select from. IntraSpace has an expanded range with its Traditional lockers being available in 1, 2, 3, 4, 5 and 6 door units and two widths - 300mm and 400mm.
- \ Moisture resistant (MR) board covered in low pressure laminate, white for the carcass and choice of door colour from the industry leading Laminex and Formica ranges.
- \ Standard units can also be placed on high bases which allows for seating to be placed directly in front. This seating is fixed to the front of the base with the use of cantilevered bracketing which keeps the floor area free of obstructions.
