

FENCING SOLUTIONS

BUILD BETTER WITH LYSAGHT® STEEL FENCING

Whether you've just built a new home and want to add the finishing touches, or would like to lift the curb appeal of an existing home, a stylish new fence is the perfect way to do it. Aside from adding visual impact, a quality fence also provides privacy and added security for your greatest investment.

With a variety of styles and colours available, the LYSAGHT® steel fencing range provides the inspiration to build better – it's the ideal choice when it comes to beautiful yet tough, low maintenance fencing.

What makes the perfect Aussie fence?

- Shaped from Australian-made COLORBOND® steel – trusted and proven for over 50 years
- Easy maintenance – Simply hose down and remove any debris every six months to keep it looking like new
- Great choice – 6 styles available in a wide range of COLORBOND® steel colours
- Durable – won't rust, peel or crack and is impervious to termite attack
- Non-combustible – ideal for bushfire prone areas
- Fully tested and made to Australian standards
- Backed by BlueScope material warranty*
- Easy to install for both trade professionals or DIY'ers
- Replacement components readily available in the event of damage

*Terms and conditions apply, see website

LYSAGHT - SHAPERS OF COLORBOND® STEEL

COLORBOND® steel is Australian-made pre-painted steel that's supplied to Lysaght in large coils. Lysaght then shapes the COLORBOND® steel (through the process known as rollforming) into our range of roofing and walling products, gutters, fascias and downpipes, fencing systems, plus home improvement products such as verandahs, patios and carports.

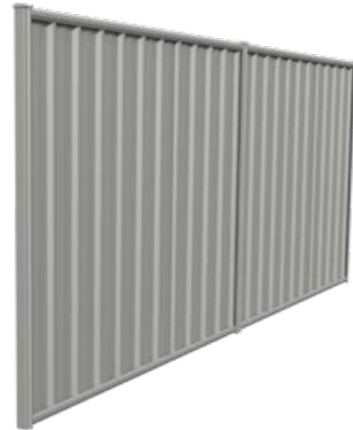

Colorbond®

NEETASCREEN®

OUR MOST POPULAR FENCE STYLE THAT'S STOOD THE TEST OF TIME

NEETASCREEN® is the original LYSAGHT® steel boundary fence and still one of the most popular in the range. Versatile and durable while also delivering a visually appealing finish thanks to its clean panel design, NEETASCREEN® blends beautifully with any style of home and neighbourhood setting. NEETASCREEN® is available Australia-wide in 1500, 1800 and 2100mm* heights.

*2100mm not available in cyclonic regions.

CUSTOMSCREEN®

BRINGING AN ICONIC CORRUGATED LOOK TO FENCING

Instantly recognisable with its familiar corrugated infill sheets, CUSTOMSCREEN® is another longtime favourite that transcends architectural styles and neighbourhood boundaries. Tough yet visually pleasing, CUSTOMSCREEN® is a classic that's available exclusively in SA, in a choice of 1500, 1800 and 2100mm heights.

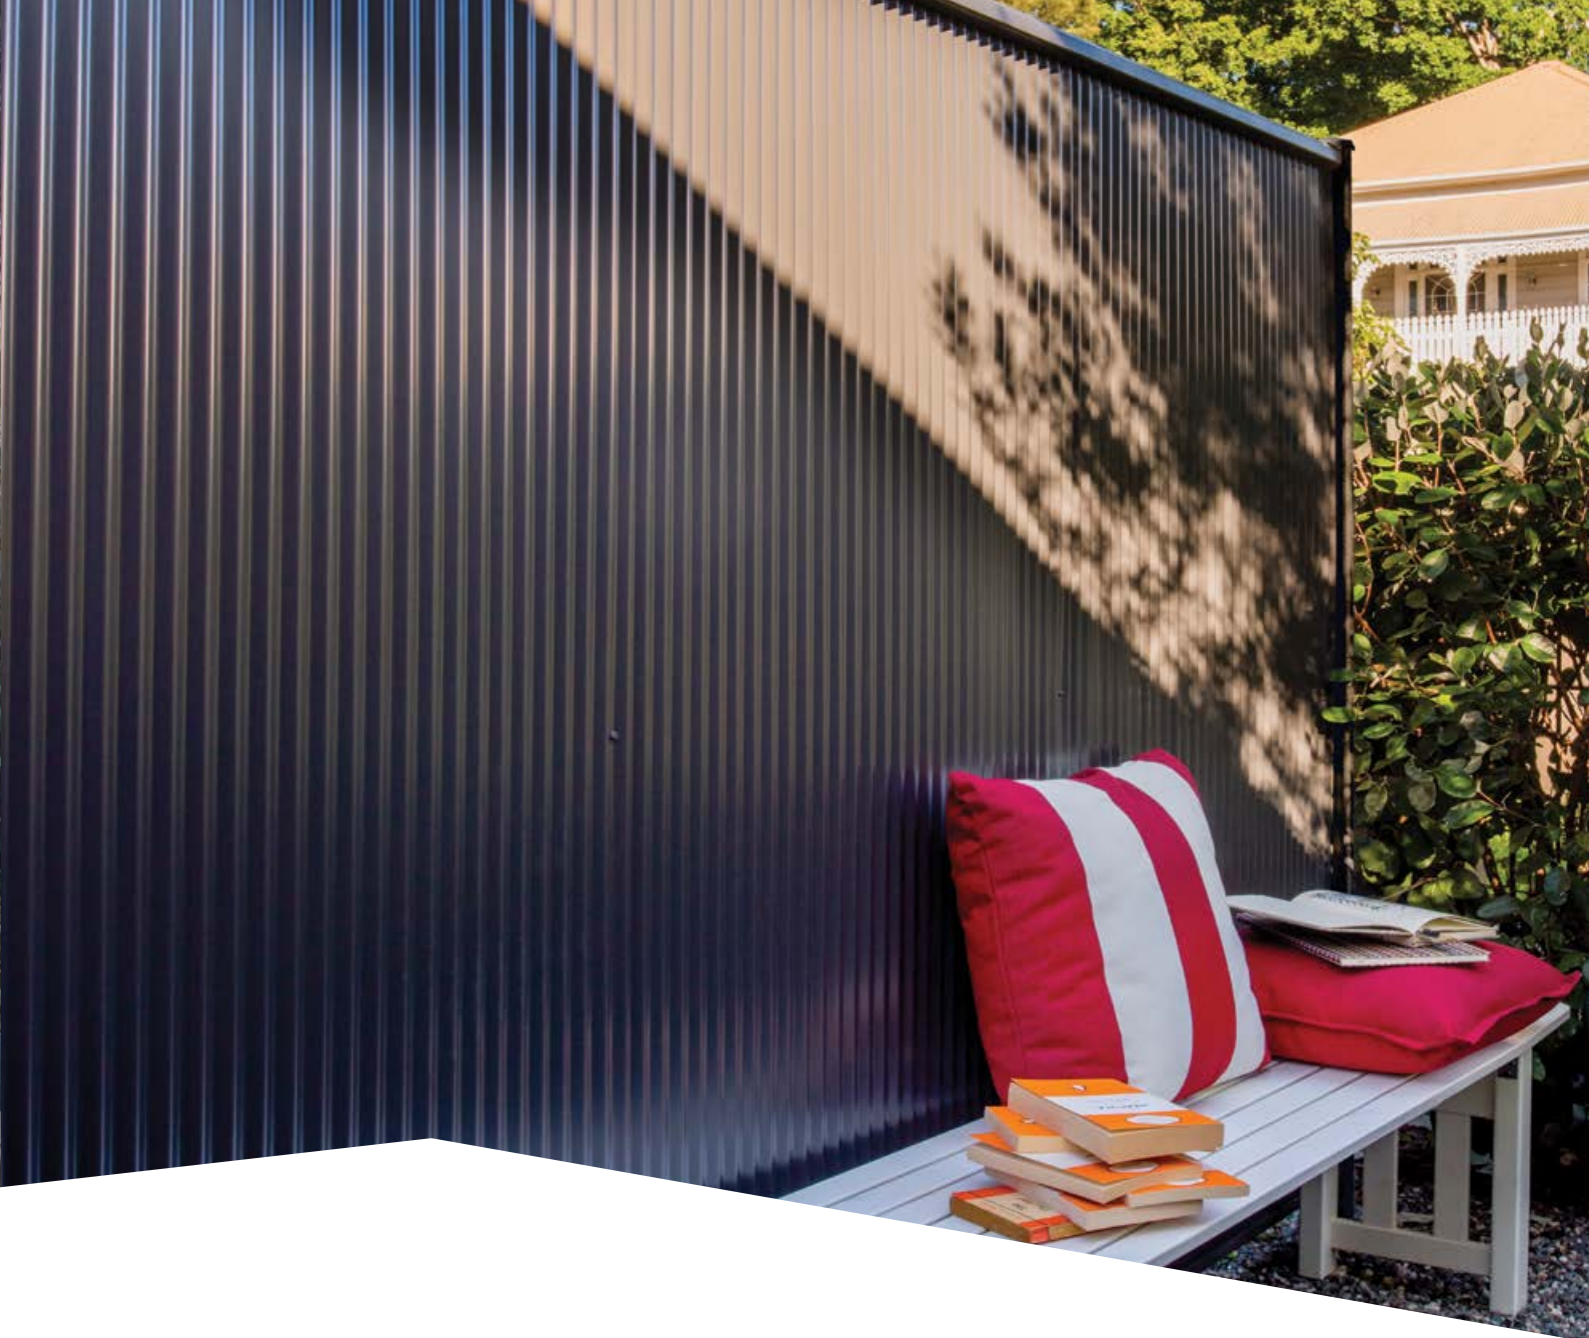

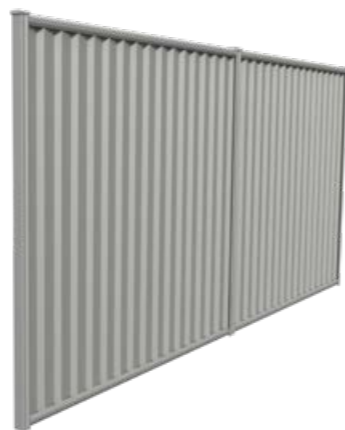

SMARTASCREEN®

LOOKS STUNNING FROM EVERY ANGLE

Boasting a similarly attractive appearance on both sides, this neighbour friendly fence offers clean and attractive lines with a subtle textured finish that will look at home in any setting. It's available in 1500, 1800 and 2100mm heights in all states except NT and SA.

MINISCREEN®

THE VERSATILITY TO CREATE A MODERN OR HERITAGE LOOK

Drawing inspiration from the iconic corrugated CUSTOM ORB® steel cladding, MINISCREEN® uses MINI ORB® corrugated infill sheets to deliver an eye-catching steel boundary fence that's capable of enhancing any property. The smaller corrugations provide a refined finish that's also ideal as a privacy screen. MINISCREEN® is available in 1500, 1800 and 2100mm heights in all states except NT and SA.

SLATSCREEN®

A STYLISH COMPLEMENT TO ANY YARD

With its strong horizontal lines and a semi-open design that encourages light and airflow, SLATSCREEN® can be used as a single panel privacy screen or multi-panel garden screen. Whatever the choice, SLATSCREEN® is easy to install and is available Australia-wide in a range of panel sizes that will provide a modern and sleek addition to any property.

LOUVRESCREEN®

ALLOWS LIGHT AND AIRFLOW WHILE MAINTAINING PRIVACY

Privacy and airflow are both possible with LOUVRESCREEN®. With a semi-open design that uses angled louvres, sunlight and airflow is encouraged while privacy is maintained, to deliver an ideal screening solution. LOUVRESCREEN® is available nationally in 1500 and 1800mm heights.

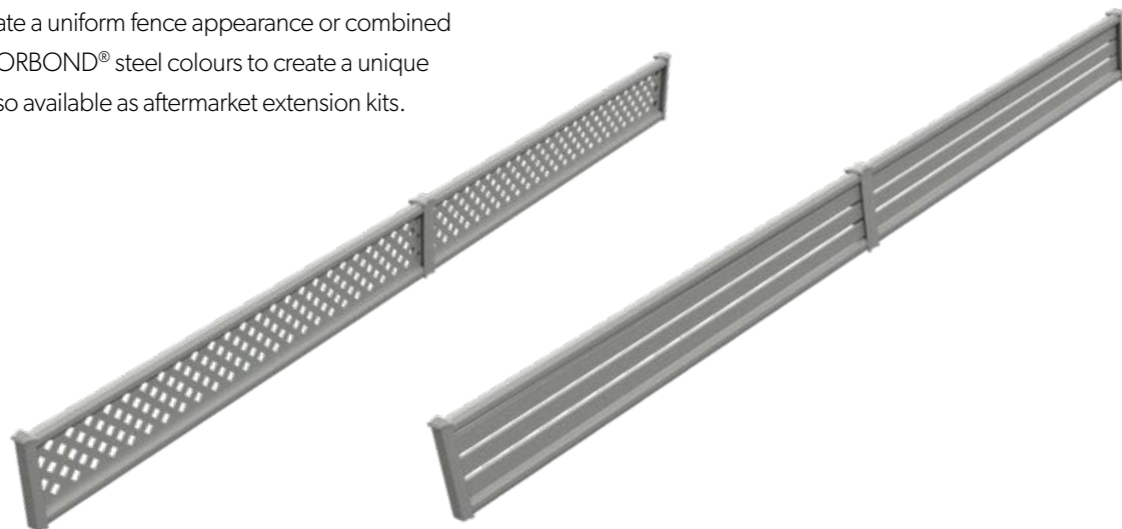

LYSAGHT® STEEL FENCING COLOUR RANGE

LATTICE & SLATS

FURTHER CUSTOMISE WITH LATTICE AND SLAT INFILLS

LYSAGHT® lattice and slat infills are designed to suit all LYSAGHT® panel fence systems, providing additional security, privacy and visual interest. Lattice and slats can be colour matched to create a uniform fence appearance or combined with other COLORBOND® steel colours to create a unique look. They're also available as aftermarket extension kits.

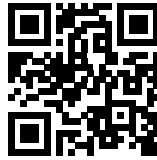

LYSAGHT® steel fencing is available in a wide range* of COLORBOND® steel colours, allowing homeowners to choose a look that best suits their home's colour palette and material selections.

				
SURFMIST®	EVENING HAZE®	DOMAIN®	PAPERBARK®	DUNE®
