# Auto-Set® FSFD

The automatic resetting vertical coiling fire and smoke rated door system self-closes without reliance on electricity or battery back-up. The non-egress Model FSFD is recommended for applications where fire and smoke protection is required but egress is not an issue.

Model FSFD is the original automatic resetting fire door. These fire doors can be custom designed to almost any width or height spanning seemingly difficult openings with ease and preserving open plans.

- 1 Fire Door Motor Operator
- 2 Hood
- 3 Curtain Slats
- 4 Guides
- 5 Bottom Bar
