

# WET AREA WATERPROOFING

**GRIPSET**<sup>®</sup>  
SEALED FOR GOOD

## FULLY SUPPORTED

Gripset products are supported by the manufacture, with generous warranties, from 10 years to 20 years. Onsite training and accreditation are also available.

Zero solvents  
and non-toxic

Fast curing  
times

Benefits proven  
internationally

Innovative  
technology

Guaranteed  
protection

## INTERNATIONALLY PROVEN PERFORMANCE

Our products are proven in all climate conditions and achieve cost savings with less labour and faster curing times.

## GRIPSET® E60

WATER BASED EPOXY PRIMER

- Priming external floors before applying membranes
- Excellent positive and negative hydrostatic pressure resistance
- Can be applied over damp and green substrates

## GRIPSET® GP

GENERAL PURPOSE PRIMER

- 2 in 1 primer and bonding agent
- Perfect for porous surfaces
- Fast drying with economical coverage

## GRIPSET® OP

NON-POROUS SURFACE PRIMER

- Water based primer for non porous surfaces
- Suitable for metal and glazed tile surfaces without the need for grinding or etching
- Can be tiled or waterproofed directly over

## GRIPSET® 38

SBR WET AREA MEMBRANE

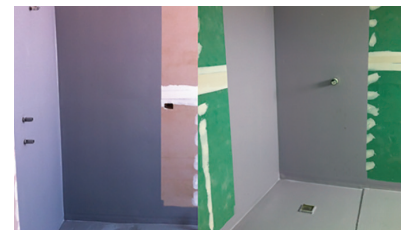

- SBR latex membrane
- Wet areas, showers, roofs, terraces, undertiles/toppings and general areas
- Meets requirements of AS4858 2004 as a Class III membrane

## GRIPSET® 38FC

SBR FAST CURE MEMBRANE

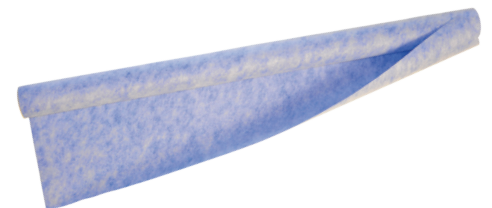

- Fast cure technology (tile over in 4 hours)
- Wet areas, showers, balconies and terraces
- Meets requirements of AS4858 2004 as a Class III membrane

## GRIPSET® GCI

HIGH PERFORMANCE WATERPROOF & VAPOUR BARRIER SHEET

- 100% waterproof and vaporproof sheet membrane
- Saves up to 50% in labour time
- Rapid sealing and anti fracture system
- Waterproof and tile the same day

## GRIPSET® 2P LIQUID

2 PART FLEXIBLE CEMENTITIOUS MEMBRANE

- 2-part flexible cementitious membrane
- Fast drying
- Meets requirements of AS4858 2004 as a Class II membrane

## elastoPROOF

INNOVATIVE & PERMANENT SEALING

- Innovative detailing system for critical movement zones
- Performs as the system bondbreaker
- 100% elastic recovery
