

## Barossa Series<sup>®</sup>

SCREENS

Louvreclad's Barossa Series<sup>®</sup> is a striking contemporary alternative to traditional timber battens. Barossa's superior durability also ensures a high quality solution for privacy & sun screening applications. Ideal for building refurbishments.

### Distinctive Features + Diverse Applications + Multitude of Benefits:

- Extruded aluminium finish
- Wide range of powdercoated & anodised colour choices available
- Battens can be set any pitch as determined by level of screening required
- Designed to withstand a variety of weather conditions
- Contemporary looks that offer privacy and superior sun shading performance

### Attention to Detail:

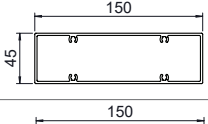

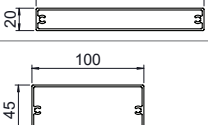

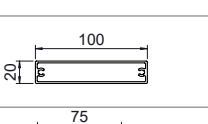

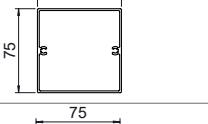

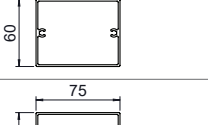

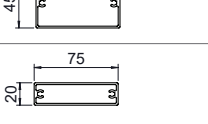

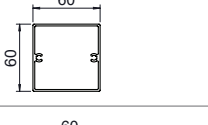

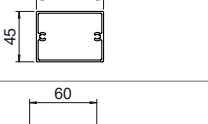

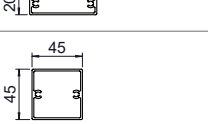

- Available in a wide range of batten sizes
- Designed to compliment the Scarborough Series<sup>®</sup>, Caprice Series<sup>®</sup> and Sheraton Series<sup>®</sup>
- Designed, engineered and certified for incidental live load.

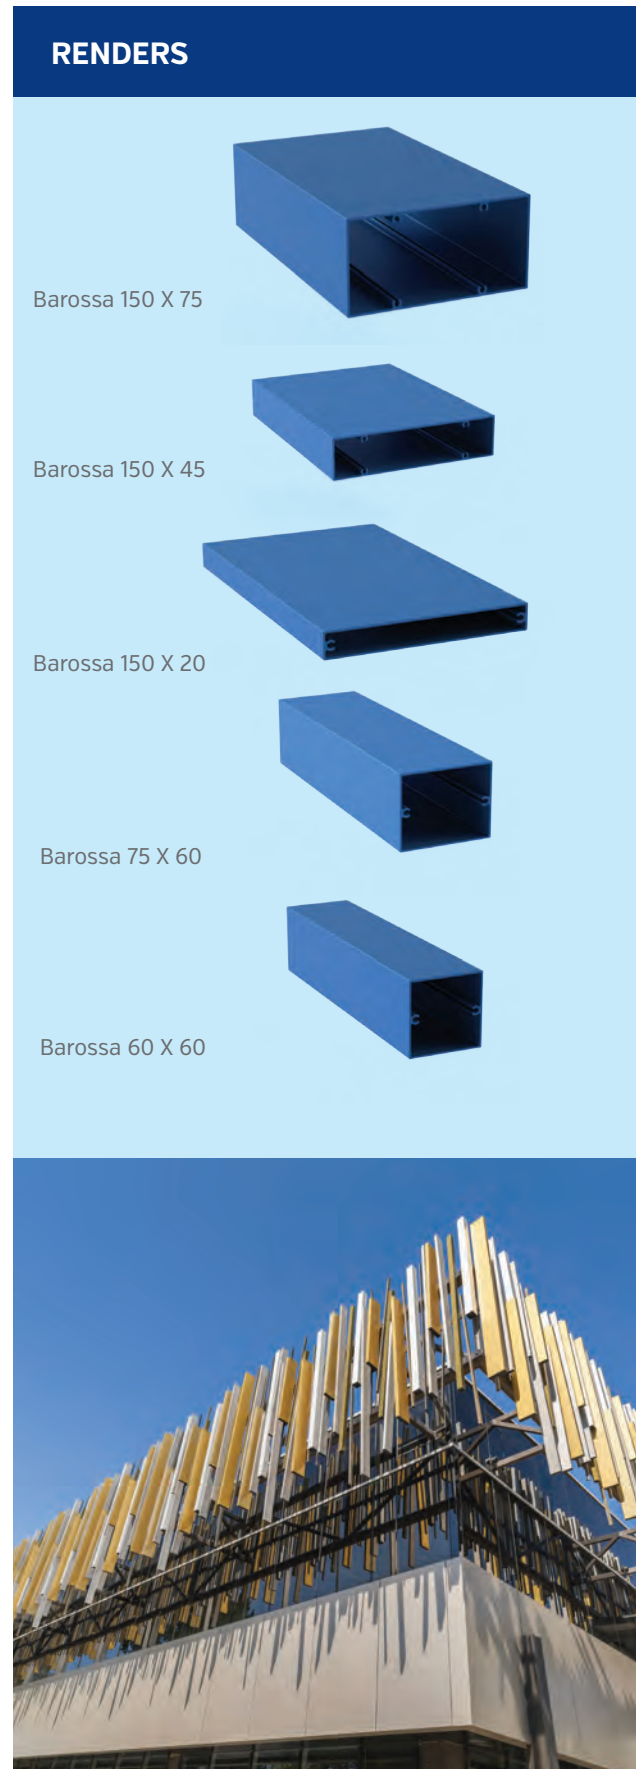

**INTEGRATES SEAMLESSLY INTO  
THE FACADE**

 **LOUVRECLAD<sup>®</sup>**

*Thinking outside for inside performance*
