HIGH RISE BASIN MIXER

Pacific is proud to present Broadway, our newest star in tapware. Crafted from solid brass the Broadway range utilises ceramic disc technology which offers precise hot and cold mixing and finger tip control over water flow.

Made for Australian conditions and supplied with flexible tails for ease of installation. Available in chrome plate, the Broadway range of mixers will perform to exacting standards for many years.

For sinks, basins, showers and baths in homes, hotels, hospitals and commercial buildings; choose Broadway.
