Honed

+ Designed to Last

- Concrete masonry products are designed to last the test of time.

+ Natural Insulator Year-Round

- Natural thermal mass insulator.
- Keeps heat in during winter, out in summer.
- Provides natural sound insulation.

+ Environmentally Friendly

- Low in embodied energy.
- Recyclable.
- Minimal waste.

+ Sound Insulation

- Due to their density, concrete masonry products reduce intrusion of external noises into internal living areas.

+ Rust, Rot and Termite Resistant

- Concrete masonry products won't rust, rot or corrode and are termite resistant.

+ Strong Security & Weather Resistance

- Strong and dense, concrete masonry is designed to withstand strong impact.
