

# Epoxy Flooring Solutions

Factory Floors,  
Commercial  
Kitchens, Bars  
& More...

## Durable Flooring Solutions

Rhino Linings® provide customers with quality products that comply with all food industry health & safety standards.

Rhino Linings® ArmaFloor's® range of specialised, seamless epoxy & polyaspartic floor coating systems can save you money & minimise downtime.

*Factory Floors & Garages, Behind Bars and Commercial Kitchens  
Wet Areas, Cool Rooms, Keg Rooms, Walkways, Corridors, Ramps,  
Loading Docks & more...*

Our coating systems provides abrasion & impact resistance, chemical resistance, temperature tolerant & can bond to a variety of substrates including concrete, timber flooring & also tiles & existing coatings.

If you are looking for a flooring solution that is fast to install, highly durable, hygienic, easy to clean & low maintenance then please contact:
