

VistaPlus

Sliding Door

ALSPEC **VISTAPLUS™** SLIDING DOOR

VistaPlus™ Sliding Door

The Alspec VistaPlus™ is a sleek and seamlessly integrated sliding door system designed to elevate your space while maximises the view. Crafted with embedded aluminium, it offers an unobstructed panorama of the outdoors, while effectively minimising heat transfer.

Experience a seamless transition between indoor and outdoor living areas, allowing abundant natural light to flood your space.

With its captivating aesthetics and architectural finesse, this sliding door is a statement piece that enhances both form and function.

Key Features

- Max Panel Height 3100mm
- Max Panel Width 2300mm
- Max Panel Weight 400kg per panel - larger panel sizes due to the increased weight carrying capability of the rollers
- Max Glass Thickness 32mm
- Extremely narrow interlock
