# THE FUTURE OF DESIGN

*Be inspired by form, function,  
colour and texture for your home with our  
Style Collaborators.*

“This unique range of curated colour schemes has been thoughtfully designed to meet the needs of the style-conscious consumer – you. All of our schemes speak to current trends and have been created with longevity and timeless elegance in mind. Using our industry insider knowledge, we’ve interpreted current market trends, as well as looking to the future of residential design.”

**Kim Chadwick**

*Australian Trend Forecast Director*

“Working as a team, we provide concept development, art direction, styling, photography and film to clients in Australia, Europe and the US. Our continuous global research and monitoring of current and developing trends, brings a thorough and considered understanding of domestic and international design and style, that informs and illuminates our work.”

# BLANCO

*contemporary and high contrast*

Blanco features contemporary, high-contrast elements; themed on a pure, neutral palette of whites and charcoals, complemented by the soft tones of pebble and chalk. It has a charming youthful feel, drawing inspiration from the wistful simplicity of translucence and solidity. This suite of harmonious shades and textures places focus on the built form, highlighting architectural elements and contemporary, stylish interiors.

# CREMA

*relaxed and timeless*

Crema is all about timeless comfort and style. This fresh palette of subdued creams and browns speaks of an earthiness synonymous with the relaxed, congenial Australian lifestyle. This collection is elevated through its complex and rich texture that adds depth, interest and balance to this tranquil classic. Bringing the outside in, this is the scheme for the natural in us all.

# ROUGE

## *bold and contemporary*

Daringly expressive with a signature glamorous edge, unreserved Rouge features bold exciting contrasts for those unafraid of statement pieces. Reds and greys create a strong, edgy affirmation of independence amongst dynamic blacks. For the dashing traditionalist who loves a contemporary twist, Rouge is a stunning choice for both contemporary and traditional architecture.

# BISQUE

*earthy and warm*

The earthy, inviting palette of Bisque allows you to maximise natural colours and textures throughout your home. Inspired by the warmth and light of coastal holidays, creams, browns and timber accents blend seamlessly with your environment, creating a soothing visual harmony, with the warm, honest tones suiting both traditional and contemporary design.

# TAUPE

*warm and cool*

Taupe exhibits a neutral grey palette that strikes a true balance between warm and cool tones. Influenced by a classic highland lifestyle, evoking the colours and textures of gently weathered wood and timeworn stone. From charcoal to walnut, the shades of this palette are unspoiled and humble, their impact coming from their simplicity. This raw and refined look pairs a modern design aesthetic with a timeless finish.

Product	Brand*	Range	Colour*

# SIENNA

*dark and moody*

Rich and luxurious, Sienna is deeply textural, drawn from the palette of the hills and landscape, the earth's elements and a wild soulful nature. Within the Sienna spectrum you find warm and rich, contrasting with pale and fresh, encouraging the application of bold design and high contrast, metallicised finishes. Smokes and whites create a resort feel, allowing you to create areas rich in visual and textural interest in your home.

Product	Brand*	Range	Colour*

# STERLING

*grey and glossy*

Sterling is a sensory feast, highlighting both textures and colours, in tones that evoke curiosity and interest. This palette has a refined Hollywood Hills style and movie star good looks, inviting people to look and admire. The grey gloss and matte palette has a tactile quality that is at once warm and cool, hard and soft, edgy and timeless. Sterling is a silver fox, giving you a home with a truly unique design outlook.

# RAVEN

*strong and solid*

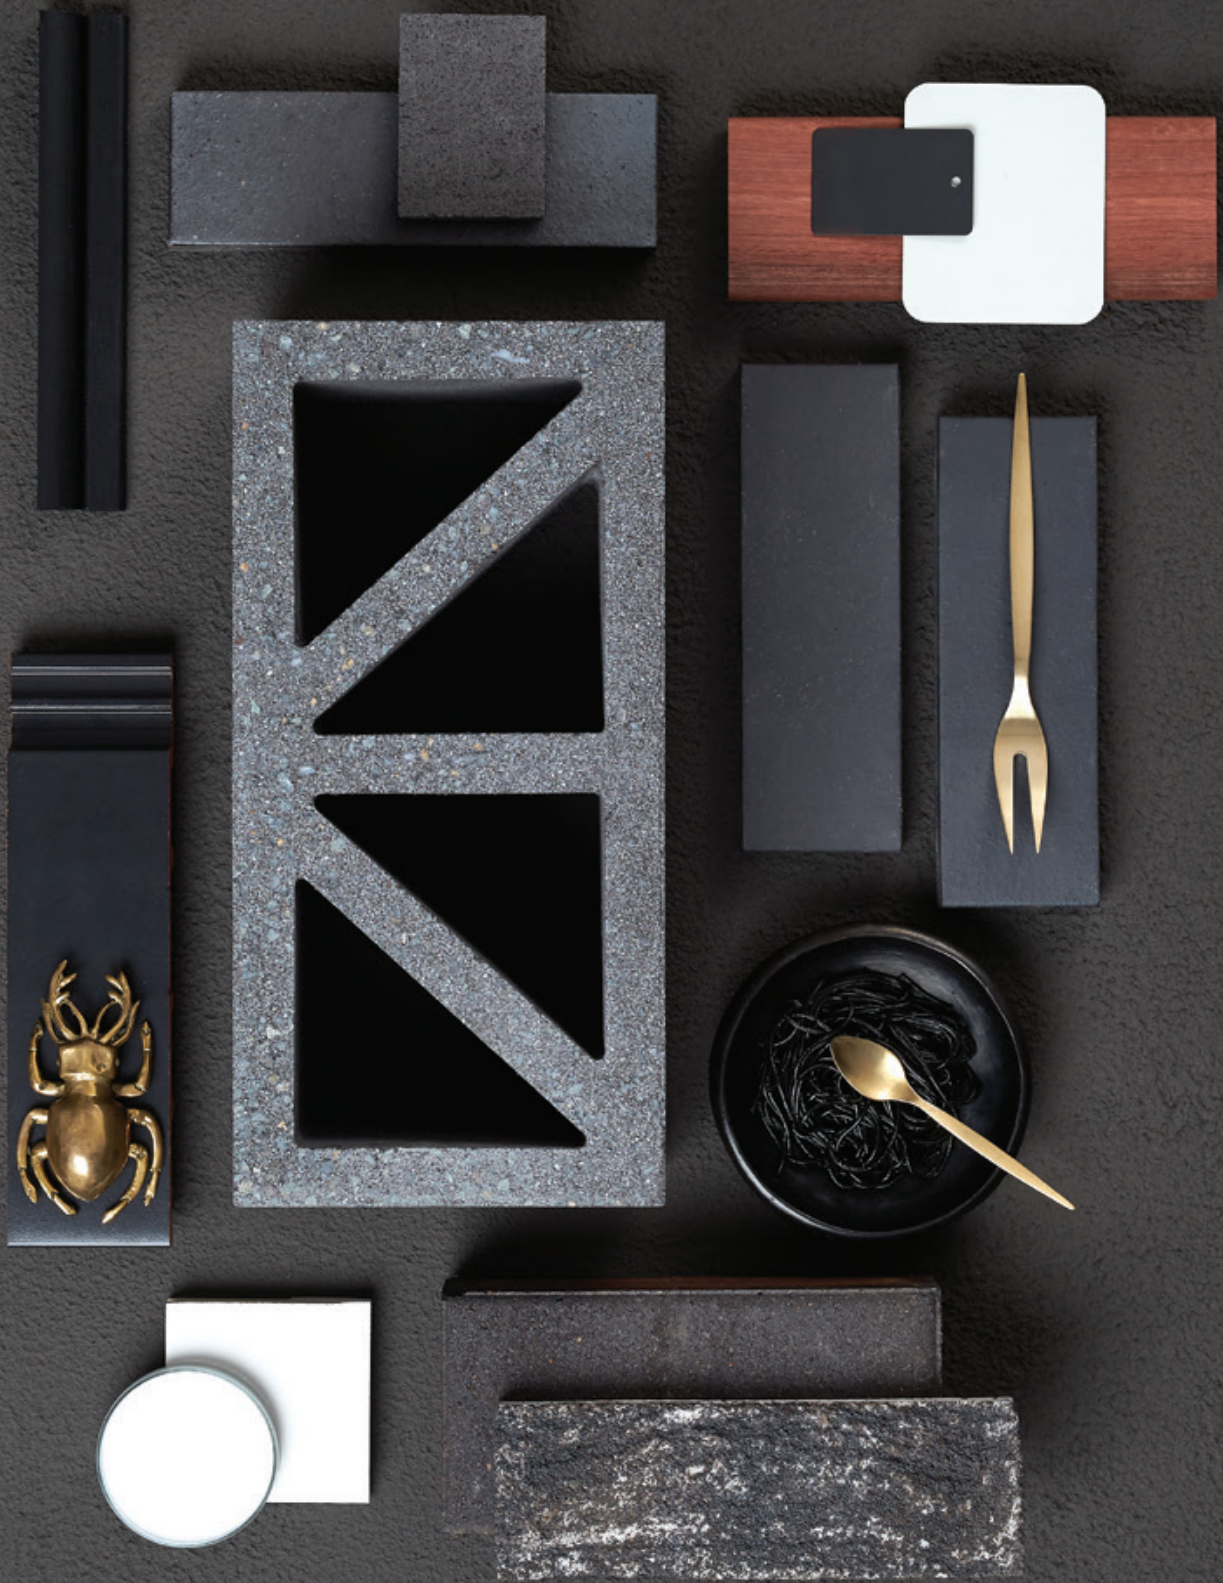

Raven makes a bold and powerful statement at a material, textural and colour level. A powder keg of hues, this potent palette of dark, contemporary blacks, pewters and charcoals exudes a compelling strength and confidence drawn from the darkness. Though solid and traditional in a material sense, the colours and textures of this dramatic palette add a thoughtful and contemporary edge to the range.
