Beautiful. Cost-efficient. Compliant.

3M™ DI-NOC™ Architectural Finishes

Updating your facility's décor doesn't
have to be complicated.

The look you want without the disruption.

Keep your building beautiful without inconveniencing your guests. 3M™ DI-NOC™ Architectural Finishes give you hundreds of cost-efficient ways to replace outdated finishes and refresh your space — with minimal down time, noise and dust.

- ▶ Fast, easy application helps you refinish existing structures to create a new look almost overnight.
- ▶ Designs that resemble natural materials provide a clean, high-end look.
- ▶ Abstract, matte and colored finishes convert surfaces including metal, wood and glass to reflect an entirely new design.
- ▶ Versatile, easy-to-use material is ideal for casework, doors, columns, walls and more.

Before

After

Before

After

Not just a pretty face.

Renew your space without the disruption, downtime, expense and loss of use that results from a typical renovation. 3M™ DI-NOC™ Architectural Finishes help you transform your spaces and meet your other critical objectives.

Efficiency

Easy application — 3M™ Comply™ adhesive technology virtually eliminates air bubbles and holds a powerful bond to many substrates.

Durability

Ensure your facility will look great for years to come with a warranty of 5 to 10 years depending on the application.

Sustainability

Minimise your impact on the environment with materials that are engineered to refurbish permanently installed interior elements or furnishings with low emitting materials.

Easy to Maintain

Easy to clean with detergent and water and withstands most hospital grade cleaners. 3M™ DI-NOC™ Architectural Finishes are much easier to repair than wood or veneer, and repairs are virtually invisible at a normal viewing distance. See more ways to repair at 3M.com.au/DI-NOC.

For additional product information, please reference the 3M™ DI-NOC™ Technical Data Sheet and Installation Guide.

3M™ DI-NOC™ Architectural Finishes.

Create a beautiful space without the mess and hassle of a full renovation.

Apply to virtually any surface.
