

Lagune Interlocking Mat No. 090

Wet Area Anti-Fatigue Mat – 9mm thick

Features and Benefits

- This interlocking wet area mat is ideal for **swimming pool surrounds, showers, spas, saunas and changing rooms.**
- Also suitable for behind bar areas, boat decks, recessed entrances or vestibules.
- Unique design allows water to easily drain off, providing a slip resistant, safe and dry surface. Lagune is warm and comfortable and perfect for barefoot traffic.
- Modular tiles of Lagune can be assembled in a variety of designs and shapes. Allows you to economically **create a surface of any length, width or shape.**
- Lagune interlocking matting is an ideal way of covering large or irregular areas.
- Lagune tiles have a built in connecting system that allows them to be easily interlocked.
- Lagune is treated with an anti-microbial additive for protection against the growth of mould, mildew, fungi and odour causing germs.
- Lagune is designed to prevent the development and growth of bacteria and it resists also body oils and chemicals.
