 Right Installation of Earth Terrazzo Tiles.

## EARTH - HONED

### SIZE GUIDE

DIMENSIONS IN MM

WIDTH	600	400	400
LENGTH	600	400	600
DEPTH	21	15	18

### DESCRIPTION

Fibonacci Stone's unique Earth Terrazzo Tiles' spectrum of blue-brown tones, ranging from pale powder blues through to dark matte browns, blend to create a warm, natural tonal palette, ideal for interior spaces where aesthetic appeal and durability are foremost.

Earth Terrazzo Tiles Terrazzo Tiles are ideal for both residential and commercial flooring applications as they possess a high slip resistance, require minimal ongoing maintenance and have a lifespan of over 30 years.

### SLIP RATING

SLIP RATING MAX "W" (LOW RISK) MIN "X" (MODERATE RISK) - APPENDIX A WET PENDULUM (FOUR SLIDER)
