KEY NIRVANA

PRE-FINISH DECORATIVE MDF PANELS

Perfect for creating aesthetically pleasing interior walls and ceilings, including

- ✓ Interior acoustic wall and ceiling systems
- ✓ Feature panels for wall and ceiling
- ✓ Partition walls
- ✓ Ideal for ceiling tiles

Narellan Town Centre

At **KEYSTONE**, our expertise lies in combining inherent acoustic qualities with comprehensive perforation techniques and backing materials, to achieve optimum noise reduction for internal and external use.

With an endless list of pre-finished options to choose from, **KEY-NIRVANA** panels can be perforated, patterned, slotted or shaped to provide maximum noise reduction. For even better acoustic performance, **KEY-NIRVANA** can be combined with K100 backing.

Since 1985, Keystone have been the pioneers in manufacturing acoustic plywoods. **KEYSTONE** continues to be the industry leader supplying to commercial and private venues where sound-proofing and acoustics are of paramount importance.

GREAT SOUND WITH GREAT AESTHETICS THAT'S THE KEYSTONE ADVANTAGE!

KEY BENEFITS

- ✓ No painting required
- ✓ No pre-finishing required
- ✓ Easy maintenance and cleaning
- ✓ Cost efficient option

KEY-NIRVANA PRODUCT SUMMARY

ACOUSTIC OPTIONS

Just like the visual customisations, numerous acoustic customisations are also available for **KEY-NIRVANA**. Advanced compressed perforation techniques and various backing materials are utilised to optimise the sound performance to suit client requirements.

- ✓ Perforated and slotted panels are available in five standard patterns
- ✓ Acoustic Amplification using K100 acoustic backing

INSTALLATION OPTIONS

KEY-NIRVANA panels are manufactured to be installed by a builder or nominated contractor. A vast benefit of **KEY-NIRVANA** panels lies in the simplicity and ease of installation.

- ✓ Ceiling panels can be fixed by standard Key Lock Rondo system or similar
- ✓ Wall panels fixed to furring channels
- ✓ Screw fixed through face panel
- ✓ Split battens fixed to rear of panels – wall panels only
- ✓ Single MDF batten fixed to rear of panels
