“

Many thanks for installing our Stannah. We are very pleased with it...we have been very happy with your service from quote to test drive!

Pauline and David, Rose Bay, NSW

”

“

We wish to convey our thanks for the friendly, professional and helpful manner in which both the quotation and subsequent installation were carried out. The installation team were exceptional in their customer service, professional attitude and alacrity. They reflected well on your company.... Many thanks again for the improved access.

“

Once we shouted from the roof tops ... now we go online. So much change! But the Stannah never changes; it takes us smoothly around and up and keeps us in our 2 storey home. Wonderful. After 3 years we still marvel at the Stannah's engineering brilliance.

Charles & Faye, Southport, QLD
