

dura deck the hard wearing, long lasting eco timber decking

LOW MAINTENANCE

87% RECYCLED

PROUDLY AUSTRALIAN OWNED

HYNE

Dura Deck by Dura Composites Australasia is the eco-friendly, low maintenance decking solution. Made from a special combination of reclaimed hardwoods and recycled plastics, Dura Deck contains 87% recycled materials. Dura Deck retains the look of natural timber, giving you a stylish addition to your home, whilst saving you the maintenance associated with natural timber decking.

Dura Deck is perfect for the harsh Australian conditions and can be installed in full sun areas and surrounding pools and spas.

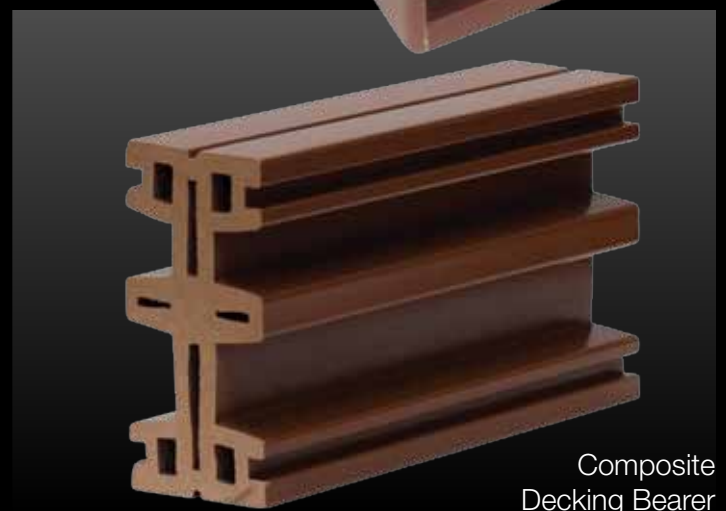

Your Dura Deck is fully supported with a 25 year warranty.

The new standard in composite decking:
