

LOUVRETEC IS AVAILABLE WORLDWIDE

PRODUCT GUIDE
CUSTOM MADE

BALUSTRADES

NZ + AU compliance requirements

Louvretec has designed adjustable balustrade blades to comply with NZ & Australian building codes. These specialised blades can be used to normal balustrade height or can be projected full height to protect any deck.

135MM HI-SPAN BALUSTRADE ALUMINIUM FRAME, VERTICAL PANEL

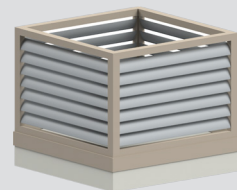

165MM HI-SPAN BALUSTRADE ALUMINIUM FRAME, VERTICAL PANEL

CHIMNEY SURROUNDS

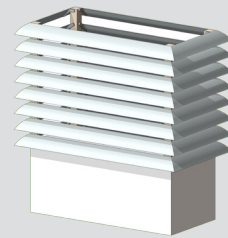

There are many options available when designing louvre chimney surrounds. The actual shape or footprint of the surround is largely dictated by the chimney itself.

Determine what size louvre blade will be best suited, both aesthetically and functionally. Wind flow through the louvre blades can assist with the actual venting of the chimney. The surrounds support structure can be a combination of aluminium box section, angle or channel. Please discuss with Louvretec.

CUSTOM MADE LOUVRE
INSTALLATIONS.
CREATIVITY WITH LOUVRES.

CUSTOM MADE

Custom louvre installations

Louvretec specialised in custom made louvre installations.

Typically:

- Hinged Gates • Sliding Gates • Fences
- Balustrades • Chimney Surrounds

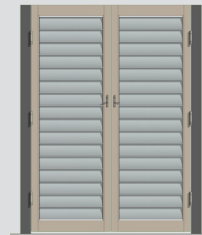

HINGED GATES

Vehicle and pedestrian

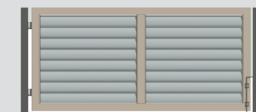

All Louvretec Hinged Gates are custom made, site specific to every installation.

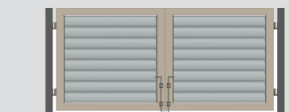

HINGED PEDESTRIAN
– VIEWED FROM OUTSIDE

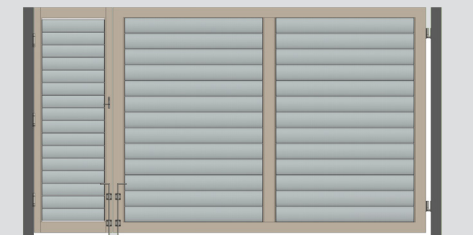

DOUBLE HINGED PEDESTRIAN
– VIEWED FROM OUTSIDE

HINGED VEHICLE
– VIEWED FROM OUTSIDE

DOUBLE HINGED VEHICLE
– VIEWED FROM OUTSIDE

HINGED PEDESTRIAN & VEHICLE – VIEWED FROM OUTSIDE

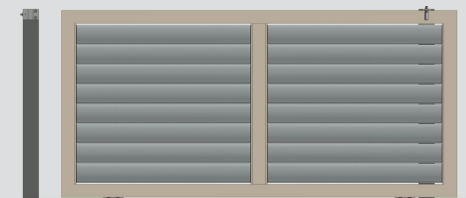

SLIDING GATES

Perfect for spanning wider openings

Louvretec sliding gates are designed and built to the same high standards as hinged gates.

Sliding gates can span up to 5500mm as a single panel on two wheels.

Louvretec does not undertake gate motorisation/security options, but can recommend specialist companies who do.

SLIDING VEHICLE GATE

SLIDING VEHICLE GATE WITH HINGED PEDESTRIAN GATE

FENCES

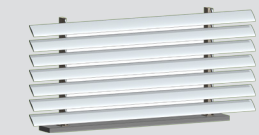

Final finishing touch

To compliment Louvretec hinged & sliding gates a range of fixed & adjustable fence infills are available as follows:

Fitting within aluminium posts

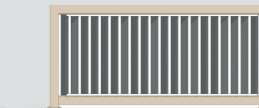

ALUMINIUM POSTS
