

Nullarbor Sustainable Timbers **NEW Melbourne Branch.**

Situated just over the West gate bridge in beautiful Williamstown, Nullarbor Timber has just opened a fully stocked and extensive showroom / warehouse retail branch. Our brand new showroom has a huge range of timber flooring, decking, furniture, posts and beams on display.

Our ware house is packed to the rafters with pre prepared dressed furniture and stair timbers, structural posts, T&G flooring and decking. Set up for maximum efficiency, for most items no pre ordering is necessary, simply drive in, select and we'll deliver.

Our very experienced staff are on hand to assist with every aspect of any job, from large commercial projects down to the small weekend project, there will be nothing that we can't handle.

Nullarbor Sustainable Timber is Australia's largest, most trusted and experienced Timber Recycler.
