## Features and Benefits

### —A touch of wool-like class.

Andes Peak provides an outstanding combination of high-specification quality and affordability, with a rich texture and subtle heather that strongly, and beautifully, resembles wool.

### —Durability meets opulence.

Whilst providing a welcome sense of luxury in bedrooms and living areas, Andes Peak remains extremely durable to abrasion and flattening. Rated extra heavy duty for residential applications, it will also cope well in highly active areas, such as hallways and rumpus rooms.

### —Stylish simplicity.

Andes Peak's neutral, organic colour palette provides a fantastically flexible foundation for a wide range of modern interior design themes and furnishings.

### —Easy to maintain.

Andes Peak's heathered colours do an outstanding job of hiding soiling, but when cleaning is required it couldn't be easier. The carpet strongly resists staining, moisture, mould and insect damage.

## Features and Benefits

### —Timeless and elegant texture.

The texture of Bouclé is a well-known, timeless and elegant fabric known for its distinctive looped texture. Originating from the French word “bouclé,” which means “to curl,” this texture is achieved through a unique loop technique or by incorporating yarns of varying thicknesses and compositions.

### —Durability meets opulence.

Although providing a welcome sense of luxury in bedrooms and living areas, Bouclé remains extremely durable to abrasion and flattening. Rated ‘Extra Heavy Duty’ for residential and Medium for contract applications, and will perform well in highly active spaces, such as hotel accommodation and apartment living.

### —Easy to maintain.

The heathered colours of Bouclé do an outstanding job of hiding soiling, but when cleaning is required it couldn’t be easier. The carpet strongly resists staining, moisture, mould and insect damage.

Solid shade carpets may exhibit colour streaking. Tufting of this carpet may incur shift lines across the width of the carpet. This is not a manufacturing fault and will not affect the performance of this carpet. Patterned carpets with directional designs may be subject to pattern distortion. Exact pattern match cannot be guaranteed.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

## Features and Benefits

### —ECONYL® regenerated fibre.

A 100% recycled yarn made from nylon waste such as old carpets, fabric scraps and fishing nets. Through the regeneration process, ECONYL® yarn never loses its virgin qualities which means it can be recycled an infinite amount of times, making it a perfect sustainable fibre solution.

### —Track resistant.

A high performing and track resistant loop pile carpet that ensures no shading marks, fluffing or fading.

### —Sophisticated colour palette.

The neutral, organic colour palette sets a flexible foundation for a wide range of modern interior design themes and furnishings.

### —Durable and cost-effective.

Extremely durable to abrasion and flattening while maintaining a sense of luxury and comfort.
