CERAMIC PRESSED PAVERS

**moda**<sup>®</sup>

With the elegance and style of Moda®, what you do on the outside will affect you so much on the inside. Accentuate and embrace your lifestyle with a choice of five unique Moda® moods.

With an artful blend of design and technology, we've created the Moda® Ceramic Pressed Paver range for contemporary outdoor environments. A European-inspired array of natural colours and textures, all offered in a very fashionable large format.

CERAMIC PRESSED PAVERS

**moda**<sup>®</sup>

Make a connection with your environment, create a sense of harmony and bring balance to your space.

The delight of spending time in an environment that reflects your personal taste and the promise of good things to come with friends or that someone special.

Not only will you be building your lifestyle on a trusted brand, you'll be creating something unique and enduring for friends, family, as well as yourself.

Dependable, solid and irresistible, the Moda® range easily embraces and enhances the outdoor living space of today. So you can be sure that, be it a poolside, patio or outside expanse, the new Italian-designed Moda® Ceramic Pressed Paver range from Austral Bricks™ will take you to that special place.
