

# NUCLEO<sup>®</sup>

ALUMINIUM PANELS

## SOLID

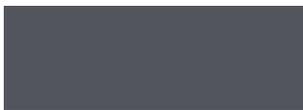

The Nucleo<sup>®</sup> solid colour range is offered in popular hues and a vibrant red, that enhance any architectural design. Finished in a durable PVDF paint finish, the panels retain both colour and gloss and do not chip or peel.

SILVER METALLIC

DARK GREY METALLIC

CHAMPAGNE

## CUSTOM

Custom colours are available upon request with a minimum order quantity.

Colours displayed on this colour card are a guide only and have been matched as close as possible to production standards under daylight conditions. Due to the nature of the printing process some degree of colour and gloss level variation may occur. Where more than one finish is available product colour may vary. We recommend that you use production line prepared samples for final colour selection or approval.
