G tot: Total solar factor, ratio of the energy transmitted through a window and solar protection device. Classification and reference glazing according to standard EN 14501

Data is current at time of printing. Please check website for most current information.

Antibacterial	ASTME E 2180 - More than 99% of bacteria destroyed)
Light-fastness:	7/8 - ISO 105 B02
Care Instructions:	Handle fabric with care and wear clean gloves. Lightly dust regularly with clean feather duster. A hand-held vacuum with low suction may also be used. When vacuuming, avoid pulling or stretching the fabric. On metallised side, spot clean by gently blotting with a slightly damp cloth. Leave the blind down until completely dry.
Warranty:	5 year warranty as complete roller shade systems for internal use. For more information regarding warranties and extended warranties, please contact Climate Ready Fabrics.

Sustainability: ● 100% recyclable ● PVC-free
