Decking

With more than 30 different profiles and sizes available, Kennedy's offer the ideal timber product for any decking application.

Whether it be a large commercial boardwalk or an intimate poolside retreat, Kennedy's stock a wide range of decking timbers to suit your project.

Available in new and recycled timbers, there are several species to choose from.

With the blurring of lines between the popular open spaces of indoor and outdoor living today, a hardwood timber deck is a natural choice when creating a relaxed, durable and inviting space.

Providing a connection to the natural environment, Kennedy's decking timbers feature in many award winning projects throughout Australia and overseas.

Our impressive range of hand selected timbers suit contemporary and traditional designs across the commercial and residential building industry.
