Assembled

**Luxe.**  
Legge Finishes Portfolio

# Legge's Luxe. portfolio defines beauty with a range of luxurious hardware finishes to suit any aesthetic.

Create luxury your way, with a range of finishes, levers, and plate designs to choose from.

The New Zealand designed, assembled, and finished Legge Luxe. portfolio is the perfect touch of luxury at every turn.

**Satin Black Chrome**  
A striking and versatile appearance bridging traditional and modern styles.

**Oil Rubbed Bronze**  
Perfect for rustic, down-to-earth living spaces.

**Antique Bronze**  
Rich brown hues and golden undertones in a warm, welcoming appearance.

**Satin Brass | Lacquered**  
Bold without being over the top, with the perfect amount of understated style.

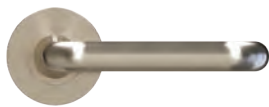

**Satin Brass | Unlacquered**  
A smooth matt finish that is subtle yet courageous which will mature over time.

**Polished Brass | Lacquered**  
A highly reflective, warm golden sheen for a vintage appeal.

**Polished Brass | Unlacquered**  
Add classic shine to your home's décor which will naturally age.

**Satin Nickel**  
This versatile finish of brushed silver hues flatter and complement any décor style.

**Satin Chrome**  
Its subtle lustre is edgy and alluring, but never grandiose.

**Chrome**  
A mirror-like finish for a contemporary or retro setting.

8000 square rose series available in Satin Black Chrome, Satin Nickel, Satin Chrome and Chrome.
