

LAMINAM

the finishing touch

...TEXTURED CERAMICS HAVE ARRIVED

Laminam is a remarkable new ceramic product exclusively available through GBI.

The Italian manufacturers are internationally renowned for their expertise in producing remarkably thin yet strong ceramic slabs. The lightness and robust qualities of Laminam allow it to be used in the most imaginative ways, such as tables, coffee tables, shower walls, multi story office cladding, kitchen splash backs and much more. The applications are only limited by imagination.

Laminam is 3mm thin and available in sheets of 3m x 1m as well as 1m x 1m. A variety of textures and colours offers the opportunity to create stunning visual statements. Visit our website to view the specifications, a complete range of colours and textures as well as photo galleries. www.gbi.com.au
