

Accents

Features & Benefits

- Accents is made with 100% SolutionPlus™.
- SolutionPlus™ - a premium grade solution dyed nylon – performs exceptionally well in demanding commercial & domestic interiors.
- SolutionPlus™ is also non-allergenic, repels water & oil based spills & has excellent appearance retention.
- 11 distinctive colours have been designed using air-entangled base yarn creating a 'heathered' appearance giving excellent soil hiding characteristics for demanding corporate, hospitality & educational facilities.
- The 28oz pile weight gives outstanding resilience against wear & foot traffic to retain the strong colour & original fresh new look.
- Our **ecare**™ impervious backing system is an option with the Accents range for the health care, aged care and other demanding environments. This prevents sub-floor contaminations..
- Lifetime anti-static guarantees protect your sensitive equipment.
- Accents comply with 'AELA Ecolabel' program requiring low volatile organic compounds & air emissions.

Accents - make your mark!
