Urbane Collection

Introducing the Caroma Urbane Collection – a combination of functionality and design unity, ideal for a range of tastes. Consisting of toilet suites, basins and a back-to-wall bath, this versatile collection embodies classic contemporary style with smooth curves and subtle accents. Embracing a distinctly Australian style, the Urbane Collection demonstrates the technical and design ingenuity that has made Caroma a market leader for over 70 years.

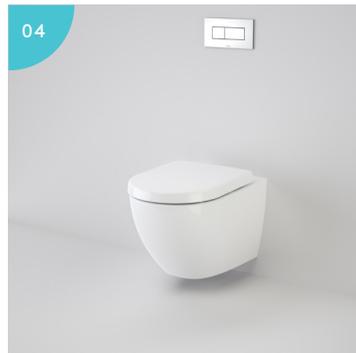

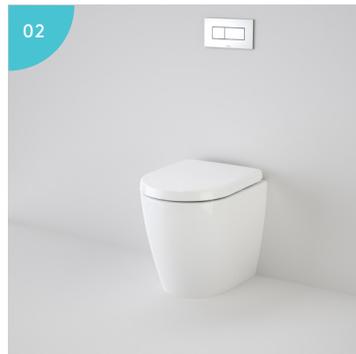

Balancing high performance and style, our Urbane toilet suites achieve universal design to fit a range of bathroom spaces.

Toilet Suites

Balancing high performance and style, our Urbane toilet suites achieve universal design to fit a range of bathroom spaces. Clever craftsmanship ensures minimal maintenance, combined with optimal hygiene control. Caroma toilets are stringently tested beyond industry standards, delivering superior performance and increased lifespan.

Features

- Fully glazed box rim and trap gives a smooth surface for easier cleaning and increased hygiene control
- Compact suite features our shortest projection – ideal for maximum space saving and apartment living
- Wall Faced Close Coupled Suite pan height is suitable for ambulant applications.
- Larger water surface area minimises unwanted marks, the need for re-flushing and the use of a toilet brush

// 01 Urbane Wall Faced Close Coupled Toilet Suite

// 02 Urbane Compact Wall Faced Invisi II Toilet Suite

// 03 Urbane Wall Faced Invisi II Toilet Suite

// 04 Urbane Wall Hung Invisi II Toilet Suite

// 05 Uni-Orbital Connector

Urbane Wall Faced Suites are supplied with Caroma’s patented Uni-Orbital Connector, ensuring unparalleled fit out flexibility. Exclusive to Caroma, the Uni-Orbital Connector saves on time and cost during the installation process. Excludes Compact & Wall Hung Suites.

Indulgent yet affordable,
the Urbane bath makes
for the perfect addition
to any bathroom.

Basins & Bath

Basins

Perfectly paired with the Urbane toilet suites, the Urbane range of basins are suited to a wide range of contemporary bathroom styles. Crafted from high-quality materials, Caroma's Urbane basin range is available in semi-recessed, wall and inset basin options for a minimal and urbane style that will last for years to come.

Features

- Available in 0 tap hole and 1 tap hole versions
- Wall & Semi recessed basins can be installed to comply to AS1428.1-2009
- Combine with the Urbane bath for a seamless look

Bath

Ideal for small spaces, yet spacious and comfortable enough for two, the Urbane back-to-wall bath ensures a relaxing soak. Bringing together the sophisticated look of a freestanding bath and the practicalities of a standard island bath, the integrated design of the Urbane bath makes it easy to clean. Indulgent yet affordable, it makes for the perfect addition to any bathroom.

Features

- Integrated back-to-wall design ensures easy cleaning
- No tile flange means installation is quick and easy
- Perfectly matches the Urbane basins and toilets for a complete bathroom solution
