

Reducing inter office chat & noise

Noisebar Australian Acoustic Barriers

The Problem

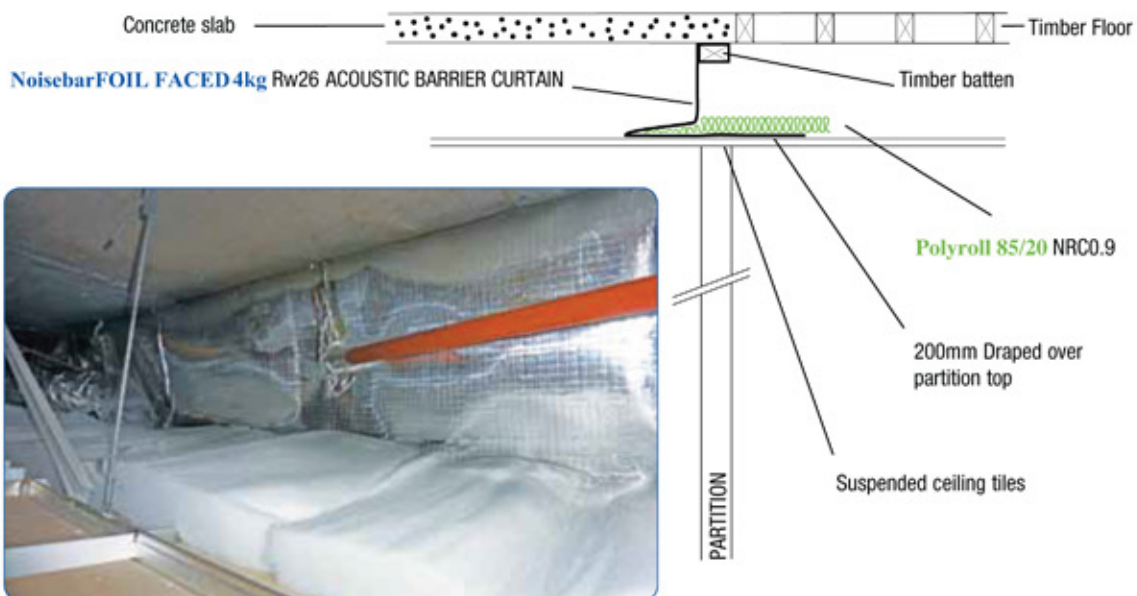

Conversations and noise disturbs next office

With office conversations becoming more and more confidential it is important Boardrooms, MD's, HR, Accountants and Lawyers offices are insulated from prying ears.

The Solution

Noisebar Acoustic Barrier Curtains

Acoustic barrier curtains can be fixed above partitions in the ceiling void to ensure conversations cannot be heard in next office. NoisebarFOIL FACED4kg; Rw26, Polyroll85/20 NRC0.9, Flanking noise CAC48
