Product: *Heelguard Grating
Diamond series
Stainless Steel Recessed Knife Slot*

Description:

The brief was to design a rang of products to eliminate clutter on kitchen bench tops yet still providing full functionality. The Stainless Steel Knife Slot creates more bench top work space as well as continuing that clean line minimalistic finish. This system can be installed easily into a new or existing bench top and is suitable for any surface finish. It only requires 10mm of space so it is ideal for compact spaces.
