

Introducing InnoTech manual Push to Open!

With the launch of this innovative new drawer system, Hettich now offers the choice of electronic or manual push to open to make living spaces work beautifully.

- Handleless drawer fronts can be opened easily with a light touch
- Great for bathroom storage solutions
- Available with the new InnoTech vanity accessories
- Multiple drawer size options
- Surface finishes in silver and white
- Antistatic, easy to clean

Melbourne Showroom Now Open!

The new Hettich showroom will be launched 13-15 April and will be open from 10am to 7pm each day. Please join the friendly Hettich staff for refreshments and a tour of the showroom.

As part of the showroom launch, Mal Corboy, Australian Kitchen Designer of the Year 2009 and International Design Award judge, will be presenting an update on the latest trends in kitchen design.

Mal Corboy will present at **5:30pm** on each of the three showroom launch days. Refreshments will be served.

57 Haig Street Southbank, VIC, 3006 | Ph 03 8620 2710
